Young, 2014-05-08 Sophie has spent two years under armed guard Now the walls are beginning to close in Her life and the lives of her children are at risk She still hasn't gotten over the brutal murder of her husband and those recurring nightmares that replay that awful moment night after night are driving her insane She's itching at the bud to pay the men who murdered her husband a visit but her love and respect for Jack is holding those desires at bay Jack has given up too much for the safety of Sophie and her sons for her to foolishly go off and risk her life while seeking revenge A string of midnight phone calls forces her to face that Taryn won't give up on having her and their son When Taryn murders another of Sophie's loved ones just to prove a point it brings out the bad girl that she tried to control and now that she has been unleashed murder and revenge are the name of the game and no amount of coaxing from Jack can keep Sophie from acting impulsively **Harper's New Monthly Magazine** Anonymous, 2022-06-12 Reprint of the original first published in 1861 *Harper's Magazine* ,1883 Important American periodical dating back to 1850 *Harper's Young People* ,1883 [Harper's Bazaar](#) ,1867 **Harper's New Monthly Magazine; Volume 1** Anonymous, 1850 **Harper's Cyclopaedia of British and American Poetry** Epes Sargent, 1882 **Harper's Novels** Harper & Brothers, 1848 [Harper's Round Table](#) ,1896 [The Ohio Cultivator](#) ,1862 **Ohio Cultivator Vol.XVIII January 1, 1862 No.1** Ohio Cultivator Vol.XVIII January 1, 1862 No.1, 1862 *Harper's Heart* Yuwanda Black, 2014-10-07 If after five years you don't think you owe me at least that amount of respect then you're not the man I thought you were Gibraltar How could you just disappear for eight days with no explanation Look Harper I told you it was work I got called out of town at the last minute I was handpicked to do that security job Do you know what it means to be selected to provide personal security for a client like that I worked 16 hour days eight days straight I was tired as hell when I fell into bed at night and then I had to get up and do

it all over again the next day Look I m sorry Let me ask you this you said your client didn t want you using personal cell phones on the job But the last time I checked there were 24 hours in a day You worked 16 By my calculations that left you eight hours to pee bathe eat fart brush your teeth and anything else you wanted to do Did you do all of that Don t look at me like I have two heads Answer me dammit Harper screamed And your point is Gibraltar said folding his arms across his massive chest My point is Harper hissed you had time to send a two second text or leave a ten second voice message Your phone is like an appendage You always have it with you so I know that wasn t the problem I didn t warrant a few seconds of your time Really That s what hurts the most Harper continued a sob settling somewhere in the middle of her chest You know what I realized as I was worrying myself sick over you those eight days I realized that you never go out of your way for me Gibraltar Never It always always has to be convenient for you to have any type of interaction with me Harper said on a whisper I thought she said futilely trying to keep her cheeks dry of tears give him time He ll see how happy we could be together But then there was always that little voice inside that said He only calls when it s convenient Harper Like when he s had enough sleep or when he gets the next day off or when he s done at the gym or when he doesn t have to do overtime I tried so hard not to be one of these pushy women who s always pressuring her man to do something I wanted you to be with me because you wanted to not because I put pressure on you I thought that if you could see that I wasn t one of those kinds of women you d respect me more that you d see what life could be like for us together But it seems like the more I didn t ask anything of you the less you gave But I loved you I still love you So I made myself believe that it didn t matter That you just needed time I see clearly now that there was never going to come a time because you know what Life has a funny way of being ridiculously inconvenient But when you care for someone Harper let her voice trail off Running the back of her left hand over her cheek to stop another tear midstream she continued But I can t pretend any more that I m some modern woman who has all her shit together and is okay with this type of casual relationship I m not I m a real woman with real feelings And the way you treat me hurts it hurts like hell Harper said And it s been eating away at my soul for a long time Harper took her time to dry every tear Then she looked into the dark brown eyes of the man she d loved for five years and said what she knew she d needed to say for a long time I really should probably thank you because who knows how long I would have let whatever it is we call this supposed relationship go on had this not happened Harper look Gibraltar started feeling the need to say something Gibraltar you don t need to say anything Your actions have said it all for five years now Harper opened the front door of her apartment Gibraltar walked out She closed the door silently behind him and clicked the lock on a past that should have ended long ago and a future that was never meant to be interracial romance bwwm romance african american romance contemporary Christian romance multiracial romance short story romance short romance christian romance religious romance
