the long hours he spent as a child watching his father paint landscapes in the fresh air to his final years of solitude in the hermitage at Our Lady of Gethsemani where he contemplated and wrote about the beauty of his surroundings Throughout his life Merton's study of the natural world shaped his spirituality in profound ways and he was one of the first writers to raise concern about ecological issues that have become critical in recent years In *The Environmental Vision of Thomas Merton* author Monica Weis suggests that Merton's interest in nature which developed significantly during his years at the Abbey of Gethsemani laid the foundation for his growing environmental consciousness Tracing Merton's awareness of the natural world from his childhood to the final years of his life Weis explores his deepening sense of place and desire for solitude his love and responsibility for all living things and his evolving ecological awareness **Thomas Merton** Patrick F.

O'Connell,2013 Thomas Merton the Trappist monk who died in 1968 was one of the great spiritual writers of the twentieth century His published works include a hundred volumes in many genres But it was perhaps in the essay that he found his natural element Especially in the last decade of his life Merton showed in his essays an increasing willingness to dispense with pre fabricated conclusions bringing his deeply spiritual profoundly Catholic sensibility to bear on matters beyond the usual religious and monastic milieu This volume is the first to provide a broad cross section of Merton's work as an essayist collecting pieces that reflect characteristic examples of his astonishing output and the fantastic breadth of his interests The 33 essays collected here range from interreligious dialogue to racial justice from the wisdom of the desert fathers to the novels of Faulkner and Camus from the nuclear threat to the philosophy of solitude and throughout the centrality of the Christian mystery to authentic human identity *Pilgrimage into God* Sicco Claus,2023-04-01 *Pilgrimage into God* A Study of John Main's Meditation Oriented Spirituality is a comprehensive investigation of the heritage of the Benedictine monk John Main 1926 1982 This founder of a worldwide movement for Christian meditation understands meditation as an intentional transcending of all mental processes Contrary to popular opinion which associates meditation uniquely with Eastern traditions Main considers meditative practice to be essential and central to Christian faith This study not only explores Main's views on practice but also looks into his theology his understanding of spiritual growth and the ideal contexts for achieving such growth It does this by critically situating Main's spiritual teaching within the Christian tradition and exploring its relation to Charles Taylor's interpretation of the modern spiritual condition This study also aims at exploring how Main's heritage may contribute to illuminating Christian spiritual life today *A Living Gospel* Ellsberg, Robert ,2019-06-06

Thinking through Thomas Merton Robert Inchausti,2014-02-01 Considers the legacy of Thomas Merton and his relevance for contemporary times With the publication of *The Seven Storey Mountain* in 1948 Thomas Merton became a bestselling author writing about spiritual contemplation in a modern context Although Merton 1915 1968 lived as a Trappist monk he advocated a spiritual life that was not a retreat from the world but an alternative to it particularly to the deadening materialism and spiritual vacuity of the postwar West Over the next twenty years Merton wrote for a wide audience bringing

the wisdom of Christianity Buddhism and Sufism into dialogue with the period s contemporary thought In Thinking through Thomas Merton Robert Inchausti introduces readers to Merton and evaluates his continuing relevance for our time Inchausti shows how Merton broke the high modernist trance so that we might become the change we wish to see in the world by refiguring the lost virtues of silence contemplation and community in a world enamored by the will to power virtuoso performance radical skepticism and materialist metaphysics Merton s defense of contemplative culture is considered in light of the postmodern thought of recent years and emerges as a compelling alternative Inchausti explores Merton s understanding of Western Christian monasticism and provides new insights into his critique of modernity Curt Cadorette author of Catholicism in Social and Historical Contexts An Introduction **Brother to All** Edwin SJ, Joseph Victor,2022-09-08 Essays reflecting on the life and witness of Charles de Foucauld 1858 1916 who has recently be declared a Catholic Saint **Writing to Wake the Soul** Karen Hering,2015-12-22 Through the power of everyday words find and deepen your connection with faith and self in the spiritual practice of writing Have you ever sought to wake that still small voice within the voice that gives expression to your greatest hopes fears dreams and sorrows Through the intersection of poetry and story metaphor and mediation history and culture you have the power to Perfect for today s spiritual seeker Writing to Wake the Soul provides inspiration practical guidance and content rich prompts to help you articulate and explore the difficult questions of our time Its elegant narrative invites you to use words as a way to journey into a greater intimacy with your faith your soul and your relationship to the world Whether you re a theist or atheist agnostic or church goer accomplished writer or even a non writer this guide offers a thoughtful reflection on the enormous transformative power of words in our everyday lives Featuring exercises for meditation contemplation and gentle self examination along with writing prompts on a wide spectrum of theological themes and spiritual practices Writing to Wake the Soul will help you develop a greater connection to that voice to the inner self and to the timeless wisdom deep within you **Polk's Crocker-Langley San Francisco City Directory** ,1878 The Challenge and Spirituality of Catholic Social Teaching Marvin L.
