seize his throne and marry Hamlet's mother Hamlet is considered among the most powerful and influential works of world literature with a story capable of seemingly endless retelling and adaptation by others It was one of Shakespeare's most popular works during his lifetime and still ranks among his most performed topping the performance list of the Royal Shakespeare Company and its predecessors in Stratford upon Avon since 1879 It has inspired many other writers from Johann Wolfgang von Goethe and Charles Dickens to James Joyce and Iris Murdoch and has been described as the world's most filmed story after Cinderella The story of Shakespeare's Hamlet was derived from the legend of Amleth preserved by 13th century chronicler Saxo Grammaticus in his *Gesta Danorum* as subsequently retold by the 16th century scholar François de Belleforest Shakespeare may also have drawn on an earlier Elizabethan play known today as the *Ur Hamlet* though some scholars believe Shakespeare wrote the *Ur Hamlet* later revising it to create the version of Hamlet that exists today He almost certainly wrote his version of the title role for his fellow actor Richard Burbage the leading tragedian of Shakespeare's time In the 400 years since its inception the role has been performed by numerous highly acclaimed actors in each successive century
