Wilson This second William Wilson interferes with the narrator's mastery over his classmates thereby becoming for the narrator an object of fear and competition This rivalry becomes only more pronounced for the narrator when he learns that they joined the school on the same day and that because of the two William Wilsons identical builds and styles of dress many older students believe they are brothers The narrator's rival even imitates his mode of speaking except he can never raise his voice above a whisper Nevertheless the narrator rejects any connection between him and his rival Despite this antagonism though the narrator remains on speaking terms with his competitor and admits at first to being unable to hate him The relationship soon deteriorates however and a violent altercation ensues between the two William Wilsons The scuffle evokes in the narrator memories of his infancy which makes him grow only more obsessed with William Wilson On a night not long after the scuffle the narrator sneaks William Wilson (Annotated) Edgar Allan Poe, 2016-01-19 Let me call myself for the present William Wilson The fair page now lying before me need not be sullied with my real appellation This has been already too much an object for the scorn for the horror for the detestation of my race Edgar Allan Poe Edgar Allan Poe, 2016-08-19 The story follows a man of a noble descent who calls himself William Wilson because although denouncing his profligate past he does not accept full blame for his actions saying that man was never thus tempted before After several paragraphs the narration then segues into a description of Wilson's boyhood which was spent in a school in a misty looking **A World of Words** Michael J. S. Williams, 2013-07-12 A World of Words offers a new look at the village of England degree to which language itself is a topic of Poe's texts Stressing the ways his fiction reflects on the nature of its own signifying practices Williams sheds new light on such issues as Poe's characterization of the relationship between author and reader as a struggle for authority on his awareness of the displacement of an authorial writing self by a self as it is written and on his debunking of the redemptive properties of the romantic symbol Edgar Allan Poe ,2019 William Wilson Edgar Allan Poe, 2018-01-08 William Wilson tells the tale of a man who travels around the world pursued by his ghostly double who tries to keep him from sin and vice This stands out among Edgar Allen Poe s stories for the fact that it is less Gothic less gruesome and less melodramatic than most of his other work You ll find a different kind of storytelling here than vou would in The Tell Tale Heart or in The Fall of the House of Usher **Critical Companion to Edgar Allan Poe** Dawn B. Sova, 2007 Examines the life and career of Edgar Allan Poe including synopses of many of his works biographies of family and friends a discussion of Poe s influence on other writers and places that influenced his writing William Wilson Edgar Allan Poe, 2014-05-31 LET me call myself for the present William Wilson The fair page now lying before me need not be sullied with my real appellation This has been already too much an object for the scorn for the horror for the detestation of my race To the uttermost regions of the globe have not the indignant winds bruited its unparalleled infamy Oh outcast of all outcasts most abandoned to the earth art thou not forever dead to its honors to its flowers to its golden aspirations and a cloud dense dismal and limitless does it not hang eternally between thy hopes and heaven I would not if I could here or to day embody a
