D. James E. Smith, 2011-05-14 A practical discussion of strategies for preaching from the major types of biblical literature The chapters are organized in three main divisions introductory expository and suggestive preaching units **The Virus, The Vaccine, The Victory** James Alamu Falola, 2025-05-29 This book is written with the urgent need to alert the church and the world at large about the one and only cure for the virus of sin plaguing the lives of humanity It is salient to note that almost every major episode of virus outbreak has led to a discovery and the development of a vaccine which makes way for the prevention of the effect of the virus on human lives This paves the way to victory over agony and the ordeal of suffering in such a period in history However the vaccine of the blood of Jesus has been available and accessible to only those who have chosen to receive Him as Lord and Savior The knowledge of this truth should have kept many out of the bondage to sin The nature and the subsequent affliction of sin came from the evil transaction of Adam and Eve with Satan and because of their disobedience the gate of the Garden of Eden was shut behind them What happened from then on was the deluge of calamities that are difficult to imagine but seen Many suffered under the weight and consequences of sin until the Father God in heaven sent His only Son Jesus to come and shed His blood for our atonement This divine discovery a gift from God the Father coupled with the victory of resurrection which paves the way for cleansing and forgiveness of our sins led to our eternal rejoicing in His presence Paul in bringing this home to us with clarity argues in 1 Corinthians 15:17 that if Christ is not raised your faith is futile and you are still in your sins NKJV This is profoundly true because it ties our salvation to His resurrection and eventually the privilege to reign with Him eternally Glory be to God [Until Shiloh Comes](#) Cy Mersereau, 2017-08-02 It is incredible that the first promise of a coming Messiah came not to our first parents Adam and Eve but to the serpent who had so deceitfully engineered their

downfall Genesis 3:15 records that God's promised Seed of the woman was destined to defeat the seed of the serpent which anticipated the gospel of the Lord Jesus Christ. This is known as the first good news or proto evangelism whose blessed promise became the focal point of the entire Old Testament. Threading its way through Abraham and his descendants this promise came to rest on his great grandson Judah and remained there for all succeeding generations finding fruition in the first coming of the Messiah indicated by the words of Genesis 49:10 until Shiloh comes. Throughout history Bible scholars have largely agreed that Shiloh which means peace references the first coming of the Lord Jesus Christ the Prince of Peace the Lion of the tribe of Judah. The Old Testament is the foundational document for all that follows in the New Testament and should never be relegated to inferior status. These older scriptures were given for our admonition and should be esteemed and appreciated in the same manner as the New Testament writings until Shiloh comes the second time.

IN OUR IMAGE: The History and Mystery In Our Look at Life Debra Marie Albaugh, 2014-05-11 Also available in economical Study Guide version with full text and Digital Edition in full color. This is the Teacher's edition full color 8 1/2 square 343 pages. Worldviews are a significant part of the way we view the world. They impact our perception of reality. They impact our perception of the environment. And they impact our perception of ourselves. They relate as I had seen as I adventured through worldview study and interaction writing college papers and identifying events in history that led to the current views in the world. The writing does not only contain evidence relating to the spirit it also contains the unveiling of mysteries I discovered during study personal accounts and includes steps that followed in understanding how these mysteries seem to form the world. The study relaying the way the views impact theology philosophy the world and the unborn continues unveiling but I must put this much down on paper for now a compilation from my A papers in Biblical study.

Finding Christ in the Old Testament: Searching Out How the Early Church Supported the Doctrines of Christ from only the Old Testament William Waddell, PhD., ThD., 2014-10-13 So the modern believer may be encouraged to search out Jesus not only in the New Testament but also in the Old. The early church even though they had only the Old Testament did not lack in Scriptural backing when they preached and taught about Jesus. The modern church should be as well armed having both the Old and New Testament at its disposal.

Christianity Today, 1988 **No Apology Necessary** Earl Carter, 1997 These ancient Biblical prophecies answer your questions about race in America.

Women at the Cross Linda Lesniewski, 2008-02-01 Who were the women present at Christ's crucifixion? Why did they come and why did they stay? What did they see? What did they hear? How do their actions speak to people today? In searching for answers to these and other questions author Linda Lesniewski discovered that she shared a spiritual kinship with the women who stood there as well as those who have been changed by the cross throughout the years. Women who read this book will discover a new depth of love for Jesus Christ and realize a greater appreciation for his sacrifice. They will experience the wonders and mysteries of Christ's love and their faith will be strengthened. Perfect for small groups or personal study. *Women at the Cross* brings alive the devotion loyalty and

servanthood of the women who came who stayed and who continue to come even today
