Understanding Bible Prophecy Edmund Berkeley Hammond,2011-07-25 Since his water baptism as a teenager Edmund Berkeley Hammond known by the nickname of Berk has always tried to be a good Christian However his work as a Christian truly began in 1972 when he received a supernatural message from God calling him to be an interpreter of the prophetic scriptures of the Bible Since receiving this call he has written more than 20 short papers on controversial prophetic topics under Gods direction Twelve of these papers are presented as chapters in this book **The Seven Seals** Rayland Millsby,2020-03-09 Look into the book of Revelation and come face to face with an event of epic cataclysmic consequences As the Four Horseman ride through the pages the bring with them plagues famine wars and pestilence Your emotions will run rampant while the story unfolds and you experience the fears of future generations See firsthand what John

saw as Christ reveals Gods judgment on mans self destruction Just when all hope is gone the day of the Lord will be upon us
If you want to change the way you live today you need to understand the prophecies of tomorrow **The Seven Seals**

Walter Mills,2012-12-01 The Seven Seals takes a close look into the book of Revelation and brings the reader face to face with Gods final chapter As the Four Horsemen ride through the pages they bring fourth plagues famine war and pestilence Read along as the story unfolds to reveal Gods intervention into mans self destruction and the coming of the Day of the Lord

The Coming New World Order Thomas J. Mueller,2015-04-02 This book proposes a step by step blueprint for a better world There is a storm brewing on the horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question is who s world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man s vision and his world ruling government that has only produced war or God s vision and Christ s world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don t heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming **Searching for Truth in the Empire of Lies:**

An Evolution of Political and Societal Perspectives During the Decline of America and its Empire A.J.

Smuskiewicz,2024-05-30 Over the past several years since the mid 2010s America and Americans have gone through astonishing unprecedented political geopolitical societal and cultural changes BLM Antifa transgenders diversity equity inclusion Trump derangement syndrome rigged elections an insurrection COVID crackdowns vaccine mandates assaults on free speech political persecutions and prosecutions mainstream media propaganda the merger of state and corporate power and reckless involvement in foreign wars that threaten to launch World War III These events raise serious doubts about the sanity of the U S and Western elites who are driving the changes and they point to the precipitous decline of America and its Empire of Lies as Vladimir Putin has labeled it Chicago based freelance educational writer and political commentator A J Smuskiewicz has carefully observed it all He has evaluated re evaluated and documented his evolving perspectives on the national and international chaos in this collection of essays compiled from his published works during the momentous period of 2014 to 2024 The essays offer his unique distinctly personal insights on the profound issues of the day and some not so profound issues with an unusual highly individualistic mix of Right and Left ideas of conservative libertarian and revolutionary radical views Smuskiewicz compiled this collection as America was in the midst of another wild and weird election season with one candidate facing possible imprisonment a second candidate apparently struggling with dementia

and a third candidate posing a threat to both Where could America and the world be headed These essays will help to give you the background knowledge and frame of reference you need to understand and deal with whatever the hell is going to happen in this Empire of Lies
