Holley,2022-12-19 The genre of this book may be difficult to define but any effort to do so can be a celebration of God s grace rewarding for those who may thirst for a better way to define their relationship with a living and personal God For some it will appear autobiographical steeped in references to personal struggles lost direction forgotten dreams For others it may be only a confessional narrative journaling the need

every man has a silent urging to escape the pain and burdens inflicted by a twisted allegiance to some sin an onerous darkness that has enslaved For still others it can be a book of sermons outing a familiar text from which truth might be gleaned The truth is Gift Revisited chronicles a journey back to Bethel an experience many believers are destined to take We people of faith often lose our way whether defined by spiritual exhaustion or the weight of some misstep we have taken A revisit to the places of a genuine encounter with God can result in a renewed sense of hope and a rewarding promise for the future
