Traditionally company leaders develop a business strategy based on bottom lines and profit margins then hire an ad agency  
to back up that strategy with creative advertising But history shows that some of the most effective branding campaigns are  
born when companies work with ad agencies to develop a business strategy that has a big creative idea at its heart what CEO  
of Euro RSCG Bob Schmetterer calls the Creative Business Idea In Leap Bob Schmetterer shows advertisers how to combine  
advertising creativity and bottom line realities to develop winning business strategies and winning ad campaigns He analyzes  
some of the most creative business ideas in history showing how successful advertising and marketing strategies do more  
than simply communicate the brand they define it Advertisers know how to create demand for an existing brand but  
Schmetterer argues that the next challenge for advertisers is to help their clients apply creative thinking to their core  
business strategy before they launch a branding blitz Leap is about connecting the left brain and the right brain to develop  
solid business strategies that are also creative fresh and exciting It s about mixing business s cold fixation on numbers with  
the warm heart of art and creativity to build revolutionary brands It s about connecting with and listening to the client  
understanding the business and the product tapping into the client s passion for the product and transmitting that passion to  
the consumer It s about what happens when the business makes creativity part of its core strategy enabling it to move  
beyond self imposed boundaries and expand the limits of its reach With a wealth of examples from Volvo to Purdue  
Schmetterer shows ad agencies and managers how to help their clients develop the big creative idea that will transform their  
businesses and perhaps their industries It s time for companies to make the Leap that synthesizes business and creativity to  
reap the full rewards of profitable innovation BOB SCHMETTERER is Chairman and CEO of Euro RSCG Worldwide a one of  
the world s top five global advertising and communications agencies with clients such as Intel Peugeot Air France Orange
