Political And Civic Engagement Multidisciplinary Perspectives

Mudit Kumar Singh

Political And Civic Engagement Multidisciplinary Perspectives:

Political and Civic Engagement Martyn D. Barrett, Bruna Zani, 2015 Based upon a three year multi disciplinary international research project Political and Civic Participation examines the interplay of factors affecting civic and political engagement and participation across different generations nations and ethnic groups and the shifting variety of forms that participation can take The book draws upon an extensive body of data to answer the following key questions Why do many citizens fail to vote in elections Why are young people turning increasingly to street demonstrations charitable activities consumer activism and social media to express their political and civic views What are the barriers which hinder political participation by women ethnic minorities and migrants How can greater levels of engagement with public issues be encouraged among all citizens Together the chapters in this volume provide a comprehensive overview of current understandings of the factors and processes which influence citizens patterns of political and civic engagement They also present a set of evidence based recommendations for policy practice and intervention that can be used by political and civil society actors to enhance levels of engagement particularly among youth women ethnic minorities and migrants Political and Civic Participation provides an invaluable resource for all those who are concerned with citizens levels of engagement including researchers and academics across the social sciences politicians and political institutions media professionals educational professionals and schools youth workers and education NGOs and leaders of ethnic minority and migrant organizations and communities

Political and Civic Engagement Martyn Barrett, Bruna Zani, 2014-11-27 Based upon a three year multi disciplinary international research project Political and Civic Participation examines the interplay of factors affecting civic and political engagement and participation across different generations nations and ethnic groups and the shifting variety of forms that participation can take The book draws upon an extensive body of data to answer the following key questions Why do many citizens fail to vote in elections Why are young people turning increasingly to street demonstrations charitable activities consumer activism and social media to express their political and civic views What are the barriers which hinder political participation by women ethnic minorities and migrants How can greater levels of engagement with public issues be encouraged among all citizens Together the chapters in this volume provide a comprehensive overview of current understandings of the factors and processes which influence citizens patterns of political and civic engagement They also present a set of evidence based recommendations for policy practice and intervention that can be used by political and civil society actors to enhance levels of engagement particularly among youth women ethnic minorities and migrants Political and Civic Participation provides an invaluable resource for all those who are concerned with citizens levels of engagement including researchers and academics across the social sciences politicians and political institutions media professionals educational professionals and schools youth workers and education NGOs and leaders of ethnic minority and migrant organizations and communities

The Oxford Handbook of Political Participation Marco

Giugni, Maria Grasso, 2022 The Oxford Handbook of Political Participation provides readers with up to date knowledge on the wide ranging topics covered in this field and considers the key theoretical and methodological pluralism in the area as well the most recent developments One of the aims of this Handbook is to bring together two research traditions from political science and sociology bridging research in political sociology and social movement studies Accordingly the Handbook mainly brings together authors coming from both the politics and sociology research traditions as well as key authors working on political participation coming also from other fields such as psychology economics anthropology and geography The volume provides the first comprehensive up to date treatment of political participation in all of its varied expression it covers a wide range of topics relating to the study of political participation both from a theoretical and methodological perspective it brings together the political science and political sociology tradition on the one hand and the social movement sociological tradition on the other it is sensitive to theoretical and methodological pluralism as well as the most recent developments in the field and includes discussions combining perspectives that have traditionally been treated separately in the literature as well as discussions of current trends and future directions for research in this field

Handbook of Civic Engagement and Education Richard Desjardins, Susan Wiksten, 2022-12-08 Underscoring the complex relationship between civic engagement and education at all stages of life this innovative Handbook identifies the contemporary challenges and best approaches and practices to encourage civic engagement within education

The Future of Digital Democracy Pierluigi Contucci, Andrea Omicini, Danilo Pianini, Alina Sîrbu, 2018-12-17 Digital democracy is a hot topic nowadays its relevance growing along with the impact of computational platforms on our political life Communication is the basal fabric on which society is defined and it appears obvious that the civic organisation and politics itself should take the opportunities the digital revolution offers Institutional inertia nevertheless causes large delays in updating and adapting Therefore the balance between participation and delegated representation is now facing a crisis A thorough understanding of the factors involved in participation is a first step towards providing solutions Using the Internet to fill the gap and build a digital democracy provides an opportunity along with several risks that need to be carefully analysed It needs to be implemented using a fully inter and trans disciplinary perspective The six contributions included in this State of the Art Survey present research in the field of social sciences as well as mathematics and computer science and aim at contributing to a better understanding of the potential and dangers of digital democracy helping readers go beyond the misunderstandings the misconceptions and the conceptual and practical abuses that the very notion of democracy is undergoing during this age of technological revolution and social turmoils

Civic Engagement and Politics: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2019-01-04 Creating transparency between government and citizens through outreach and engagement initiatives is critical to promoting community development and is also an essential part of a democratic society This can be achieved through a number of methods including public policy urban development artistic endeavors and digital

platforms Civic Engagement and Politics Concepts Methodologies Tools and Applications is a vital reference source that examines civic engagement practices in social political and non political contexts As the world is now undergoing a transformation interdisciplinary collaboration participation community based participatory research partnerships and co creation have become more common than focused domains Highlighting a range of topics such as social media and politics civic activism and public administration this multi volume book is geared toward government officials leaders practitioners policymakers academicians and researchers interested in active citizen participation and politics Research, Advocacy, and Political Engagement Sally Cahill Tannenbaum, 2023 As institutions of higher education embrace civic engagement service learning has emerged as a most effective way to engage students in field experiences where they will confront profound questions of the relevance of academic learning to addressing community needs Each volume in this series is organized around a specific community issue and provides multiple perspectives on both the theoretical foundations for understanding the issues and purposeful approaches to addressing them The contributors to these books who represent disciplines in the sciences humanities and social sciences offer vivid examples of how they have integrated civic engagement in their courses explain their objectives and demonstrate how they assess outcomes To stimulate adaptation of the approaches described in these books each volume includes an Activity Methodology table that summarizes key elements of each example such as class size type of community partner the activity and the methodology or pedagogy employed and potential applications of the example in other disciplines This volume presents inventive approaches to using service learning to introduce students to political engagement The work of faculty representing a wide variety of disciplines this compilation of innovative and varied courses offers models to adapt and ideas to stimulate the creativity of instructors The contributors view political engagement from distinct vantage points Political scientists look at political engagement from a more traditional perspective Mathematicians develop courses that explore the statistical implications Economists focus on cost benefit analysis Business professors provide an entrepreneurial angle Feminists consider the language implications of political engagement The chapters in this book describe how teachers in Politics Education Urban and Regional Planning Business Communications Sociology Mathematics Economics and Women s Studies have created effective activities that advance disciplinary knowledge develop collaboration with communities and engage students in the political process

Handbook of Research on Civic Engagement and Social Change in Contemporary Society Chhabra, Susheel, 2018-02-23 Outreach and engagement initiatives are crucial in promoting community development and social change This can be achieved through a number of methods including public policy and urban development The Handbook of Research on Civic Engagement and Social Change in Contemporary Society is a critical scholarly resource that examines the unexplored field of applying social change to civic engagement in an effort to enlarge public welfare activities Featuring coverage on a broad range of topics such as civic education sustainable development and child labor this publication is

geared towards academicians researchers and students seeking current research on civic engagement and public welfare

Political Engagement of the Young in Europe Peter Thijssen, Jessy Siongers, Jeroen Van Laer, Jacques Haers, Sara Mels, 2015-12-14 Although many scholars are convinced of the apparent civic disengagement of youth others suggest that civic participation of young people is stable and increasingly expressed through non institutionalized forms of practicing politics This book makes a key contribution to this discussion by asking whether the decline or shift paradigm is sufficient in understanding political participation of the youth It argues that we need to move beyond this framework and develop a renewed reflection on the meaning of civic and political engagement It asks crucial questions such as How can the young be educated into assuming civic and political responsibility Why and how do young people engage in social and political action How do the principal mediating institutions education media and the family contribute to new or different forms of youth civic engagement This text contains contributions from acknowledged specialists such as Constance Flanagan Mark Elchardus Marc Hooghe and Bert Klandermans and will be of key interest to students and scholars of youth and young citizens civic political involvement European politics youth studies sociology political participation and electoral behaviour

Influences of the IEA Civic and Citizenship Education Studies Barbara Malak-Minkiewicz, Judith Torney-Purta, 2021-05-26 This open access book identifies the multiple ways that IEA s studies of civic and citizenship education have contributed to national and international educational discourse research policymaking and practice The IEA International Civic and Citizenship Education Study ICCS first conducted in 2009 was followed by a second cycle in 2016 The project was linked to the earlier IEA Civic Education Study CIVED 1999 2000 IEA s ICCS remains the only large scale international study dedicated to formal and informal civic and citizenship education in school It continues to make substantial contributions to understanding the nature of the acquired civic knowledge attitudes and participatory skills It also discusses in depth how a wide range of countries prepare their young people for citizenship in changing political social and economic circumstances The next cycle of ICCS is planned for 2022 In this book more than 20 national representatives and international scholars from Europe Latin America Asia and North America assess how the processes and findings of the 2009 and 2016 cycles of ICCS and CIVED 1999 2000 have been used to improve nations understanding of their students civic knowledge beliefs attitudes current civic related behaviors and intentions for future participation in a comparative context There are also chapters summarizing the secondary analysis of those studies results indicating their usefulness for educational improvement and reflecting on policy issues The analyses and reflections in this book provide timely insight into international educational discourse policy practice and research in an area of education that is becoming increasingly important for many societies

Psychology of Democracy Ashley Weinberg, 2022-03-03 This book is about all our futures and demonstrates how essential insights from political psychology can nurture and safeguard democracy

Youth Civic and Political Engagement Martyn Barrett, Dimitra Pachi, 2019-02-01 What exactly is civic and political participation What factors

influence young people's participation How can we encourage youth to actively participate in their own democracies Youth Civic and Political Engagement takes a multidisciplinary approach to answering these key questions incorporating research in the fields of psychology sociology political science and education to explore the issues affecting youth civic and political engagement Drawing on evidence that has been obtained in many different national contexts and through multinational studies this book provides a theoretical synthesis of this large and diverse body of research using an integrative multi level ecological model of youth engagement to do so It identifies unresolved issues in the field and offers numerous suggestions for future research Youth Civic and Political Engagement is an invaluable resource for researchers teachers youth workers civil society activists policymakers and politicians who wish to acquire an up to date understanding of the factors and processes that influence young people's civic and political engagement and how to promote youth engagement

Migration between Africa and Europe Cris Beauchemin, 2018-05-01 This volume examines migration between Africa and Europe rather than just from Africa to Europe Based on a unique socio demographic survey carried out both in origin and destination countries MAFE survey it argues that return migration circulation and transnational practices are significant Policy design must also take these factors into account Comparing in a systematic way three flows of African migrants from Democratic Republic of Congo Ghana and Senegal this study offers a new view on the patterns determinants and family and economic effects of migration By comparing six European countries Belgium France Italy the Netherlands Spain and the UK it shows that the dynamics of migration differ greatly in new vs old destination countries Based on a statistical analysis of life histories this study provides a dynamic view of migration that will help readers better understand current trends as well as future trajectories It will appeal to researchers academics practitioners and others interested in taking a deeper look in immigration issues

Youth Active Citizenship in Europe Shakuntala Banaji, Sam Mejias, 2020-04-25 This volume engages with the contested concept of active citizenship It analyses the use and understanding of active citizenship in youth civic and political initiatives in the Czech Republic Estonia Germany Italy Portugal and the UK Using ethnographic data and insights from the cross European project CATCH EyoU the contributors to this collection illuminate the experiences of young people taking action for social change It does so at a unique moment when a resurgent populist political right is deploying racial prejudice and neoliberal protectionism in both established media and new digital media to fuel xenophobic nationalism The book asks a range of questions including What is life like for active young citizens with an interest in the civic and political spheres What practices relationships and motivations characterise their participatory movements organisations initiatives and groups The chapters use case studies to analyse how friendship and emotion social media diversity work racism precarity and burnout feed into motivating and developing or curtailing sustained pro democratic activism Youth Active Citizenship in Europe will be of interest to students and scholars across a range of disciplines including politics sociology education and cultural studies

Environmental Communication Anabela Carvalho, Tarla Rai Peterson, 2024-12-30 This handbook

reviews extant research and offers critical summaries of key topics and issues in the field enriched by authoritative analyses of specific cases and examples It displays pluralism across a number of axes epistemological theoretical geographical cultural and thematic The first part offers historical routes through the international development of the field and explores the epistemological grounds of multiple strands of environmental communication studies In aiming to map the field broadly as well as stimulating new thinking the second part is organized along three core perspectives arenas voice and place It comprises chapters on various public spaces that are critical to the symbolic constitution of the environment and sheds light on a range of aspects and social agents that have received insufficient attention including research about and carried out in non Western countries Crucially at a time of profound environmental crisis the final part of this book discusses possibilities and constraints to social change and the potential contributions of environmental communication research to ways of understanding and responding to the challenge

Conventional Versus Non-conventional Political Participation in Turkey Cristiano Bee,Ayhan Kaya,2018-12-07 This book focuses on the emergence of different forms of civic and political activism in Turkey It has taken into account different components of active citizenship specifically looking at the development of civic and political forms of activism that bridge the realms of conventional and non conventional participation Focusing on the effects of the 2013 Gezi Park protests which originated in Istanbul but spread throughout the country this book reflects on how this experience might re orient current on civic and political participation in Turkey Specifically focusing on the main dynamics of non conventional forms of civic and political activism this volume attempts to understand the impact of non conventional forms of political participation on voting behaviour The internal domestic conditions of the country as well as its role in the international arena have dramatically changed since 2013 and are constantly evolving due to the domestic societal and political cleavages and the regional problems in the Middle East Yet the papers in the book reflect upon the significance of occupygezi nowadays demonstrating not only its importance in questioning the link between the patrimonial state and its citizens but also for stimulating participatory behaviours The chapters originally published as a special issue in Turkish Studies

Generation Disaster Karla Vermeulen,2021 Disaster mental health expert Karla Vermeulen draws on a combination of statistics academic sources and her own original research including results from a nationally representative survey to examine the unique challenges experienced by emerging adults post 9 11

My Second-Favorite Country Sivan Zakai,2022-06-14 Drawing on a longitudinal study of Jewish children in the United States this book presents Jewish children s learning about Israel as a rich case for understanding how children develop ideas and beliefs about self community nation and world over the course of elementary school

Democratic Dilemmas of Teaching Service-Learning Christine M. Cress,David M. Donahue,2023-07-03 A college student wants to lead a campaign to ban a young adult novel from his child s elementary school as his service learning project in a children s literature course Believing the book is offensive to religious sensibilities he sees his campaign as a service to children and the community Viewing such a ban as limiting freedom of

speech and access to information the student s professor questions whether leading a ban qualifies as a service project If the goal of service is to promote more vital democratic communities what should the student do What should the professor do How do they untangle competing democratic values How do they make a decision about action This book addresses the teaching dilemmas such as the above that instructors and students encounter in service learning courses Recognizing that teaching in general and service learning in particular are inherently political this book faces up to the resulting predicaments that inevitably arise in the classroom By framing them as a vital and productive part of the process of teaching and learning for political engagement this book offers the reader new ways to think about and address seemingly intractable ideological issues Faculty encounter many challenges when teaching service learning courses These may arise from students resistance to the idea of serving their lack of responsibility wasting clients and community agencies time and money the misalignment of community partner expectations with academic goals or faculty uncertainty about when to guide students experiences and when direct intervention is necessary In over twenty chapters of case studies faculty scholars from disciplines as varied as computer science engineering English history and sociology take readers on their and their students intellectual journeys sharing their messy unpredictable and often inspiring accounts of democratic tensions and trials inherent in teaching service learning Using real incidents and describing the resources and classroom activities they employ they explore the democratic intersections of various political beliefs along with race ethnicity class gender ability sexual orientation and other lived differences and likenesses that students and faculty experience in their service learning classroom and extended community They share their struggles of how to communicate and interact across the divide of viewpoints and experiences within an egalitarian and inclusive environment all the while managing interpersonal tensions and conflicts among diverse people in complex value laden situations The experienced contributors to this book offer pedagogical strategies for constructing service learning courses and non prescriptive approaches to dilemmas for which there can be no definitive solutions

Community Participation and Civic Engagement in the Digital Era Mudit Kumar Singh, 2022-09-08 Understanding the challenges in research and practice of participation in the digital era and the important role of local governance in achieving the sustainable development goals Singh explores the complex relationship of community participation social capital and social networks

The Enigmatic Realm of **Political And Civic Engagement Multidisciplinary Perspectives**: Unleashing the Language is Inner Magic

Political And Civic Engagement Multidisciplinary Perspectives Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political And Civic Engagement Multidisciplinary Perspectives has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political And Civic Engagement Multidisciplinary Perspectives has opened up a world of possibilities. Downloading Political And Civic Engagement Multidisciplinary Perspectives provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political And Civic Engagement Multidisciplinary Perspectives has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political And Civic Engagement Multidisciplinary Perspectives. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political And Civic Engagement Multidisciplinary Perspectives. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political And Civic Engagement Multidisciplinary Perspectives, users should also consider the potential security risks associated with online platforms. Malicious actors may

exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political And Civic Engagement Multidisciplinary Perspectives has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political And Civic Engagement Multidisciplinary Perspectives Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political And Civic Engagement Multidisciplinary Perspectives is one of the best book in our library for free trial. We provide copy of Political And Civic Engagement Multidisciplinary Perspectives in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political And Civic Engagement Multidisciplinary Perspectives. Where to download Political And Civic Engagement Multidisciplinary Perspectives online for free? Are you looking for Political And Civic Engagement Multidisciplinary Perspectives PDF? This is definitely going to save you time and cash in something you should think about.
