cruise We did get off the ship and we went to Cairo and saw the pyramids and the Sphinx Yes we saw other things but in Safaga we went shopping Yes as you can guess I aimed for the spice shop I enjoyed haggling and bought real Saffron not like the cheap stuff this was the Red Iranian which in the UK is like gold and very expensive I also bought mixed spice and sumac I have since learned that this spice goes well with fish and chicken For a very quick meal why not make some Koftas using 1 tsp of Sumac 1 tsp of mint tsp of finely chopped Rosemary salt pepper and to tsp of cumin 1 tsp of fresh coriander chopped and if you want a little heat add tsp of dried chilli and mix well Take a little lamb mince and add all the spices then fry a little bit to check the seasoning Adjust to your taste and not what the recipe books say Everyone has different tastes then use some fresh crushed garlic about 2 cloves 1 tsp of fresh chopped mint and tsp chopped coriander and parsley and mix well Leave to rest in the fridge Make some flat breads and enjoy

Keto Recipes for Accelerated Weight Loss Olivia Rose,2019-03-18 In this book not only do I help you understand what the Ketogenic diet is all about but also share some recipes for the various meals you will be consuming through the day As the Ketogenic diet consists of consuming a large amount of fats proteins and uses a low amount of carbs it works wonders if you have been trying your best to achieve that fabulous body you have always wished to achieve However do remember while diets work in a simple and effective manner it is all up to you That is it all depends on how you maintain the balance and not just eat healthy but also tries to indulge in a little physical activity at least three to four times a week If you do not lead a sedentary life or your work does not involve too much of physical activity monitor the intake of calories per day If you lead a life which is heavy in physical activity you will need to accordingly adjust the ratio of fat to protein to carbs accordingly As per the Keto diet your daily diet should include a higher amount of fat a moderate amount of protein and a low percentage of carbs While several people claim that diets are not the best way forward to losing weight it is only because they tried and failed The reason for them failing is not the diet but infact it is because they don't begin the diet on the right note or are unable to maintain the balance in what they eat or drink and hence the diet they should have been on turns into a disaster for them
