50 Delicious Lettuce Wrap Recipes Rosemary Hart, 2015-08-24 One day I was in the mood for something light to eat but I was also in the mood for some meat. I didn't quite want a sandwich because the bread was too heavy for what I was feeling at the time. I then saw a bunch of lettuce wraps on the menu so I ordered one and 3 filling and delicious lettuce wraps were delivered to me. After that I was hooked on lettuce wraps. I couldn't get enough. I am no chef or recipe maker but what I did was I scoured the web to find all different kinds of delicious lettuce wraps from beef to chicken to fish vegetarian and more. I have compiled 50 different and easy to make lettuce wrap recipes for your enjoyment and they are all inside this book. I give full credit to the recipe makers and links to get more of their stuff if you are interested. I just wanted to help people who want to eat delicious sandwiches without the heavy carbs that normally go along with that. I hope this helps you and makes your life delicious without all the bread because who needs bread anyway.

[Delicious Easy Recipes that Anyone Can Cook](#) Paul Butkevich, 2010-12-30 How does an engineer by education and heart turn into a sales and marketing person who eventually writes a cook book as he heads into retirement? I was an engineer that eventually steered my career into sales and marketing. This had me traveling all over the country and eating and entertaining in some of the finest restaurants this Country has to offer. I actually got paid for eating great meals in some of the best restaurants in the United States. I never thought or even dreamed of cooking until I became unemployed many years later. This is when I started watching Rachael Giada and the other food network shows. I was able to find my new passion for cooking. I started to embellish upon those same recipes and enhanced them even more. I got more ideas while eating in some of the local restaurants in Massachusetts. I tried to cook some of those dishes. I also got some recipes and ideas from talking to friends who also enjoy good food and cooking. I started to bring some of my meals to work for my friends to try. They have been the ones that encouraged me to write this cook book. Every one of the meals that I brought in was given outstanding reviews. I only hope that you will like these easy tasty recipes and enjoy them as much as we have. Remember most of these can be cooked in less than a half hour and in most cases all of these recipes include the prep time for that half hour.
