Ossian,2009-10-16 As Americans geared up for World War II each state responded according to its economy and circumstances as well as the disposition of its citizens This book considers the war years in Iowa by looking at activity on different home fronts and analyzing the resilience of Iowans in answering the call to support the war effort With its location in the center of the country far from potentially threatened coasts Iowa was also the center of American isolationism historically Republican and resistant to involvement in another European war Yet Iowans were quick to step up and Lisa Ossian draws on historical archives as well as on artifacts of popular culture to record the rhetoric and emotion of their support Ossian shows how Iowans quickly moved from skepticism to overwhelming enthusiasm for the war and answered the call on four fronts farms factories communities and kitchens Iowa s farmers faced labor and machinery shortages yet produced record amounts of crops and animals even at the expense of valuable topsoil Ordnance plants turned out bombs and machine gun bullets Meanwhile communities supported war bond and scrap drives while housewives coped with rationing raised Victory gardens and turned to home canning The Home Fronts of Iowa 1939 1945 depicts real people and their concerns showing the price paid in physical and mental exhaustion and notes the heavy toll exacted on Iowa s sons who fell in battle Ossian also considers the relevance of such issues as race class and gender particularly the role of women on the home front and the recruitment of both women and blacks for factory work taking into account a prevalent suspicion of ethnic groups by the state s largely homogeneous population The fact that

Iowans could become loyal citizen soldiers forming an Industrial and Defense Commission even before Pearl Harbor speaks not only to the patriotism of these sturdy midwesterners but also to the overall resilience of Americans In unraveling how Iowans could so overwhelmingly support the war Ossian digs deep into history to show us the power of emotion and to help us better understand why World War II is consistently remembered as the Good War *History of Tempeh and Tempeh Products (1815-2011)* William Shurtleff,Akiko Aoyagi,2011-10 *The Ultimate Cookie Book* ,2014 With more than 500 recipes Better Homes Gardens The Ultimate Cookie Book Second Edition is a compendium of every kind of cookie a home baker could want including must have classics and fresh new flavor twists **New Cook Book** Better Homes and Gardens,2014 Presents hundreds of new recipes along with traditional favorites and includes chapters on breakfast and brunch casseroles and convenience cooking to meet the needs of today s everyday cooks New Cook Book Jennifer Darling,2004-03 Includes two bonus chapters of recipes menus party and decorating ideas and shortcut treats Bonus Chapter No 1 Holiday Menus Menus for Thanksgiving to Christmas and the Super Bowl including holiday brunches appetizer parties dessert parties and simple dinners for busy families Additional recipes new to this edition Make ahead information and time tables for all menus so more time is spent with guests not in the kitchen Fun and simple tabletop decorating ideas to dress up holiday tables Tips to make holidays easier and more fun Bonus Chapter No 2 Shortcut Treats Simple cookies and candies using a mix or just a few ingredients stirred together Food gifts that include easy packaging ideas How to organize a cookie exchange Simple decorating ideas to dress up packaged cookies *Cooking Light Slow Cooker Recipes* Cooking Living,2020-11-06 With 72 all new recipes Cooking Light Slow Cooker Recipes showcases the benefits of this versatile kitchen appliance and helps you easily create satisfying meals for family and friends These recipes require very little hands on time all the simmering stewing goodness happens inside the pot while you re doing other things Our nutrition and cooking experts have come up with a number of innovative dishes for the slow cooker including breakfast breads and casseroles eggs for a crowd party dips and drinks and desserts like cobblers and puddings The book includes vegetarian and vegan main dishes holiday recipes and recipes from global cuisines Nutrient values are included with every recipe
