Paradise Kitchen Daniel Orr, 2011-04-27 Chef Daniel Orr spent years working in high stress Manhattan kitchens before shifting gears and heading to the calm turquoise waters of Anguilla in the British West Indies. Ever the student of world cuisine and an expert in combining the best of his local environment and global training, Orr unleashes the flavors of the island with his inspired dishes. In *Paradise Kitchen*, tales of island culture, local traditions, and personal discoveries add flavor to the chef's recipes for morning, midday, and evening meals, including tapas. Orr's innovative drink recipes using local fruits, spices, and herbs carry you through the day from morning smoothies to sunset cocktails, after-dinner teas, and flavored rums. Cookbook, memoir, and travel guide: this delightful book invites home cooks to savor the culinary joys of the Caribbean.

Islands Magazine, 1993-09 *The Oxford Companion to American Food and Drink* Andrew F. Smith, 2007-05 Offering a panoramic view of the history and culture of food and drink in America with fascinating entries on everything from the smell of asparagus to the history of White Castle and the origin of Bloody Marys to jambalaya, *The Oxford Companion to American Food and Drink* provides a concise, authoritative, and exuberant look at this modern American obsession. Ideal for the food scholar and food enthusiast alike, it is equally appetizing for anyone fascinated by Americana, capturing our culture and history through what we love most: food. Building on the highly praised and deliciously browseable two-volume compendium *The Oxford Encyclopedia of Food and Drink in America*, this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world. Within its pages, for example, we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor, mint, next to cash registers at bars. Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober, and the company began producing other flavors. Edited by Andrew Smith, a writer and lecturer on culinary history, *The Companion* serves up more than just trivia; however, including hundreds of entries on fast food, celebrity chefs, fish sandwiches, regional and ethnic cuisine, food science, and historical food traditions. It also dispels a few commonly held myths: Veganism isn't simply the practice of a few hippies but is, in fact, wide spread among elite athletic circles. Many of the top competitors in the Ironman and Ultramarathon events go even further, avoiding all animal products by following a strictly vegan diet. Anyone hungry to know what our nation has been cooking and eating for the last three centuries should own *The Oxford Companion to American Food and Drink*. DT Nearly 1,000 articles on American food and drink, from the curious to the commonplace. DT Beautifully illustrated with hundreds of historical photographs and color images. DT Includes informative lists of food websites, museums, organizations, and festivals. [How to Cocktail](#) America's Test Kitchen, 2019-10-08 All the kitchen secrets, techniques, recipes, and inspiration you need to craft transcendent cocktails from essential canonical classics to imaginative all-new creations from America's Test Kitchen. Cocktail making is part art and part science, just like cooking. The first ever cocktail book from America's Test Kitchen brings our objective, kitchen-tested and perfected approach to the craft of making cocktails. You always want your cocktail to be something special, whether you're in

the mood for a simple Negroni a properly muddled Caipirinha or a big batch of Margaritas or Bloody Marys with friends After rigorous recipe testing we re able to reveal not only the ideal ingredient proportions and best mixing technique for each drink but also how to make homemade tonic for your Gin and Tonic and homemade sweet vermouth and cocktail cherries for your Manhattan And you can t simply quadruple any Margarita recipe and have it turn out right for your group of guests to serve a crowd the proportions must change You can always elevate that big batch Margarita though with our Citrus Rim Salt or Sriracha Rim Salt How to Cocktail offers 150 recipes that range from classic cocktails to new America s Test Kitchen originals Our two DIY chapters offer streamlined recipes for making superior versions of cocktail cherries cocktail onions flavored syrups rim salts and sugars bitters vermouths liqueurs and more And the final chapter includes a dozen of our test cooks favorite cocktail hour snacks All along the way we solve practical challenges for the home cook including how to make an array of cocktails without having to buy lots of expensive bottles how to use a Boston shaker what kinds of ice are best and how to make them and much more
