Spring Break Kalamazoo 2015:

Broader, Bolder, Better Elaine Weiss, Paul Reville, 2021-02-23 In *Broader Bolder Better* authors Elaine Weiss of the Broader Bolder Approach to Education campaign and Paul Reville former Massachusetts secretary of education make a compelling case for a fundamental change in the way we view education. The authors argue for a large scale expansion of community school partnerships in order to provide holistic integrated student supports ISS from cradle to career including traditional wraparound services like health mental health nutrition and family supports as well as expanded access to opportunities such as early childhood education afterschool activities and summer enrichment programs. The book builds on nearly a decade of research by the Broader Bolder Approach to Education a national initiative endorsed by more than sixty policy experts and leaders from across the country and draws on the work of Harvard's Education Redesign Lab. It pulls from case studies of effective ISS efforts in twelve diverse communities to illustrate the variety of strategies that can be adopted locally. A call to action that also provides examples of communities that are successfully leveling the playing field for poor children this book offers a detailed vision for building through field work mobilization and financing comprehensive systems to prepare all children for success. *Michigan Living*, 2004

Growing Up Country: A Demlow Family History Carl W. Demlow, 2021-05-13 *Growing Up Country: A Demlow Family History* By Carl Demlow *Growing Up Country: A Demlow Family History* is the result of fifteen years of research travel to several states and many hours of writing and rewriting. It began with the simple goal of providing our children and grandchildren with a short history of the Demlow family and specifically the author's experiences on the family farm in the 1950s. But it didn't end there the book took on a life of its own as it grew to include the Moeller Ganun and Roekle families as well as historical tidbits from the 1880s to the present.
