At the top, a network of dashed white lines connects various icons: two blue clouds, three orange circles with white dots, and two pink gears. Below this, the text "VMWARE LAB SETUP" is prominently displayed in a large, bold, blue font with a yellow-to-cyan gradient and a thick black outline. The bottom section features a light blue desk with two computer monitors and a keyboard. The left monitor shows a line graph, and the right monitor displays the text "GIBB". To the right of the desk are three server racks of increasing size, each with a glowing yellow front panel and multiple horizontal slots. These components are interconnected by a network of orange and yellow lines on a dark blue background with a subtle grid pattern.
