Glossy Nina-Sophia Miralles, 2021-03-18 Dame Anna Wintour might be one of the best known and most successful journalists on the planet But it wasn't always like that When she started out on *Vogue* she was often so miserable she had to phone her husband for help This is just one of countless fascinating titbits in this zippy story of dizzying fortune out of this world fashion ingenuity passion sex and power And this being fashion some intense bitchiness too Started as a gossip magazine for snobbish New Yorkers in 1892 *Vogue* is now one of the most recognisable brands in the world Spanning London New York and Paris this is a high speed fun read full of fascinating though not always likeable people Daily Mail *Glossy* is a story of more than a magazine It is a story of passion and power dizzying fortune and out of this world fashion of ingenuity and opportunism frivolity and malice This is the definitive story of *Vogue* *Vogue* magazine started like so many great things do in the spare room of someone's house But unlike other such makeshift projects that flare up then fizzle away *Vogue* burnt itself onto our cultural consciousness Today 128 years later *Vogue* spans 22 countries has an international

print readership upwards of 12 million and nets over 67 million monthly online users Uncontested market leader for a century it is one of the most recognisable brands in the world and a multi million dollar money making machine It is not just a fashion magazine it is the establishment But what and more importantly who made Vogue such an enduring success Glossy will answer this question and more by tracing the previously untold history of the magazine from its inception as a New York gossip rag to the sleek corporate behemoth we know now This will be a biography of Vogue in every sense of the word taking the reader through three centuries two world wars plunging failures and blinding successes as it charts the story of the magazine and those who ran it
