John Norman takes you on a journey to World's End, a set of once unknown islands far west of the continental mainland. Lying across vast turbulent Thassa, these mysterious islands were reached for the first time during the historic voyage of the ship of Tersites. Now this remote locale has been chosen by two warring technologically advanced species: the bestial imperialistic predatory Kurii and the retiring secretive Priest Kings, the gods of Gor. On this all too real gaming board, a roll of the dice will determine the fortunes and fate of Gor and perhaps that of Earth. Few realize the momentous nature of the conflict, seeing in it no more than a local war for territory and power. Those who grasp the dimensions of the game realize that the stakes are nothing less than the world itself. Warriors of Gor John Norman,2022-08-30 The Saga of Gor continues as Tarl Cabot attempts to save a beautiful prisoner from a terrible fate The daughter of Marlenus the Ubar of Ar is now a fugitive sought for betraying the Home Stone of her city The price on her head could build fleets and hire armies For years she has been hunted by legions of guardsmen and bounty hunters Now tricked by a former colleague Talena has been captured and delivered to Lurius of Jad Once her esteemed ally Lurius is now eager to sell Talena s blood for the gold of Ar But the reward cannot be claimed until the prisoner is delivered Between the port of Jad and the mighty gates of Ar lie dangerous waters and harrowing wildernesses the threats of beasts and the menace of men Tarl Cabot a seaman and warrior of Port Kar once the free companion of Talena chooses to risk everything to save his former companion In this rousing adventure we encounter the steel of warriors the stealth of Assassins the savagery of monstrous Kurii the passions and beauty of needful vulnerable collared slaves the subtleties of Scribes of the Law and the ambition and ruthlessness of men who want nothing less than the throne of Ar itself

Witness of Gor John Norman,2014-04-01 Ar defeated shamed and systematically looted is occupied by Cosian forces Perhaps Marlenus of Ar alone the great ubar could remind the men of their Home Stone and its meaning But it is thought that he perished in the Voltai Young women from Earth brought to Gor are commonly taken to the markets to be branded collared and sold as the delicious lovely livestock they are Such is the case of a young woman whom we shall call Janice for that was her Gorean slave name In the prison pits of piratical Treve there exists a

chained prisoner who believes himself to be of the Gorean peasantry The nature and even the existence of this prisoner strangely enough is a closely guarded secret In order to better keep this secret it is decided that his servant and warder had best not be a native Gorean Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire Witness of Gor is the 26th book in the Gorean Saga but you may enjoy reading the series in any order

Treasure of Gor John Norman, 2024-04-23 A brilliant woman's dangerous discovery on Earth leads to her enslavement on the planet Gor in this long running sci fi fantasy series In a remote corner of the American southwest there is a small private observatory To most of the staff it is just another stargazing facility But a select few know its true function as a liaison point between two alien worlds the decimated planet of the warlike Kurii and the planet Gor which the Kurii now covet When the young scientist Agnes Morrison Atherton comes across an unintelligible file containing mysterious coordinates she decides to decode them and discovers two large spherical seemingly artificial objects in the asteroid belt But it seems that Atherton's remarkable discovery is less than welcome Abducted and drugged she awakens to find herself on the planet Gor being sold as a Gorean slave girl

The Totems of Abydos John Norman, 2014-04-01 On a primitive planet the missing link may be the aliens living there in this novel of discovery and danger from the author of the Gorean Saga In a far off future two anthropologists gross powerful dissolute Emilio Rodriguez and aspiring young naive Allan Brenner who unbeknownst to himself carries ancient genes of a sort no longer welcome on Home World have been assigned to conduct a study on Abydos a deeply forested wilderness planet of little note whose only evidence of civilization is a single enclave small rough dingy Company Station a fueling station occasionally utilized by star freighters Within the forest some days from Company Station are the Pons a group of small simian type organisms that seem near the crossroads between animal and rational creature between nature and culture They would appear to constitute an ideal object of study with respect to the origins and foundations of civilization How it came about so to speak that something once emerged from the lair or cave that was so radically different What lies at the beginning The results of the study have already been politically prescribed on Home World that the Pons are to shed light on humanity that it is in its original and unspoiled nature polite sweet kind deferent diffident social noncompetitive and innocent Both Rodriguez and Brenner have a trait in common however which may explain why they have been sent exiled in a sense to such an out of the way locale Both seek the truth They enter the forest

Time Slave John Norman, 2014-04-01 Dr Brenda Hamilton a PhD mathematician from Caltech is beautiful though she does not know her true beauty She is a woman though she does not know her true womanhood Deep within herself she is sensual though her senses have been dulled by this modern world Hamilton has come to Africa to work under the brilliant Danish scientist Herjellsen a man who speaks of reaching the stars But what does the ancient stone axe laying on his lab table have to do with space travel Soon it becomes clear that Herjellsen's experiment is much larger than Hamilton or Herjellsen or even space travel itself It is about correcting a mistake made tens of thousands of years ago in human evolution Thrown back

in time Hamilton must be shown her place in a tribe known simply as the Men Stone Age hunters who take what they desire and know their true manhood Will Hamilton survive in this savage land Will her lover Tree teach her what it truly means to be a woman Can the spark between them put mankind back on its proper path toward the stars In Time Slave author John Norman brings the same keen philosophical acuity and passion for storytelling that enrich his classic Gor novels Fans of his work will love the fresh take on his theories and the bold adventure that brings them to life *Outlaw of Gor* John
