an hour after I met Tony Hobbs he saved my life Thirty seven year old American journalist Sally Goodchild quite literally married her hero Both foreign correspondents both on assignment in Cairo they quickly fell in love and settled into domestic life in London From the outset Sally's relationship with both Tony and his hometown was an uneasy one she found both to be far more unfamiliar than imagined But her adjustment problems are soon overshadowed by a troubled pregnancy When she goes into premature labor there are doubts whether her child will survive unscathed And then out of nowhere Sally is hit by an appalling postpartum depression a descent into a temporary but very personal hell which even sees her articulating a homicidal thought against her baby However when she does manage to extricate herself from this desperate state she finds herself in a fresh new nightmare as she discovers that the man she thought knew her better than anyone loved her more than anyone now considers her an unfit mother and wants to bar her from ever seeing her child again State of the Union America in the 1960s was an era of radical upheaval of civil rights protests and anti war marches of sexual liberation and hallucinogenic drugs More tellingly it was a time when you weren't supposed to trust anyone over the age of thirty when if you were young you rebelled against your parents and their conservative values But not Hannah Buchan Hannah is a great disappointment to her famous radical father and painter mother Instead of mounting the barricades and embracing this age of profound social change she wants nothing more than to marry her doctor boyfriend and raise a family in a small town Hannah gets her wish But once installed as the doctor's wife in a nowhere corner of Maine boredom sets in until an unforeseen moment of personal rebellion changes everything For decades this one transgression in an otherwise faultless life remains buried But then in the charged atmosphere of America after 9 11 her secret comes out and her life goes into freefall
