Get It Now This book is pure chocolate satisfaction get it now **The Advanced Art of Baking and Pastry R.** Andrew Chlebana, 2025-01-15 Thoroughly revised and updated resource on advanced techniques and concepts for next level baking and dessert assembly. The Advanced Art of Baking and Pastry Second Edition balances a range of topics with depth of coverage encompassing bakeshop items including breads, Viennoiserie, creams, pies, tarts, cakes, and decorative work with an approach that's accessible for the advanced baking and pastry student and professional. The author provides theoretical information along with tested recipes and detailed step-by-step procedures. This approach builds students' confidence and skills and facilitates their understanding of the material. With revisions and updates throughout, the book builds from core techniques to complex creations, breaking advanced processes into parts to reinforce concepts and ensure that the final result is understandable. It also encourages students to synthesize material from the text, lecture materials, and personal experience to formulate a decision about what is happening both physically and chemically when ingredients interact with each other. Through this understanding, students can create their own products and evaluate whether something turns out properly. New to this edition: Includes over 100 new and freshly tested recipes with over 100 new finished and procedural images. More ideas and techniques for ice cream truffles and plated desserts based on instructor requests. New information on bakery foodservice operations. An increased focus on new cake and plated dessert recipes. The Second Edition of The Advanced Art of Baking and Pastry guides students in higher level baking and pastry culinary courses and is a valuable resource for professionals looking to hone their skills. Let Me Eat Cake Leslie F. Miller, 2009-04-14 Few creations are more associated with joy or more symbolic of the sweet life than cake After all it is so much more than dessert As a book about cake would demand this one is a multilayered amply frosted delicious concoction with a slice or more for everyone Let Me Eat Cake is not a book about baking cake but about eating it Author Leslie F Miller embarks on a journey not a journey cake although it's in there into the moist white underbelly of the cake world She visits factories and local bakeries and wedding cake boutiques She interviews famous chefs like Duff Goldman of Food Network's *Ace of Cakes* and less famous ones like Roland Winbeckler who sculpts life-size human figures out of hundreds of pounds of pound cake and buttercream frosting She takes decorating classes shares recipes and samples the best cakes and the worst The book is held together by the hero on a quest one that traces cake history and tradition If we were to bake a cake to celebrate the birth of cake cake is an Old Norse word first used around 1230 it is hard to say how many candles would go on top Though the meaning of the word originally lump of something not to mention our expectations of its ingredients has changed over time we now celebrate cake as the coming together of flour sugar butter eggs vanilla baking powder and a pinch of salt And what a celebration Baking a cake is hard work but tasting it is pure pleasure So put on some elastic waist pants and grab a fork
