Lindsey Vonn Marty Gitlin, 2012-03-16 This biography of Olympic champion Lindsey Vonn delves into the childhood lifestyle and career of arguably the most accomplished skier in American history Vonn has won three consecutive World Cup championships and earned an Olympic gold medal in 2010 Her rise to stardom has been bumpy with two critical obstacles that have tested her multiple times during her career her turbulent and now estranged relationship with her father and the many physical injuries sustained because of her notoriously brash style on the slopes The book discusses the accident that crushed her dream of medaling in the 2006 Olympics and how she overcame this misfortune to win gold in 2010 *THE PRINCESS AND THE PINKIE NAIL* Annemarie Elstner, 2012-09-18 Queen Holandasia is extremely concerned about the poverty gloominess and oh so very dreary state of her kingdom the so called royal kingdom of Grottenville All that is required is a marriage between her son Prince William and Princess Petunia of Petulasia a wealthy kingdom with great tourist trade rolling hills and sunshine But the prince is just not interested at all One dark and stormy night a mysterious girl turns up at the Grottenville palace doors The very unimpressed royal butler Snootenville opens the palace doors to this bedraggled looking stranger Convinced the girl is a mere peasant taking a fat chance he drags her to the royal kitchen But finally the girl is presented to the queen where she announces that she is in fact Princess Clarabella of Muchmoridian an even richer and more splendid kingdom than Petulasia The queen does a quick calculation in her head and sums up the advantages of Prince William marrying this mysterious girl Oh how nice it would be to have new drapes new ball gowns a new fluffy white poodle and satellite TV But the queen is also afraid of being the laughingstock of all of Grottenville Queen Holandasia proceeds to put Princess Clarabella through the most gruelling and absolutely ridiculous test of all time the Ultimate Princess Authenticity Test to prove the girl's royal identity Lots of lies and deceit laughter and giggles sighs and slurps fill the pages of *The Princess and the Pinkie Nail* Have fun with the delightful quirky and sometimes absolutely awful Grottenville royalty servants and of course mysterious guest And like all good stories learn a moral or two and even some handy hints A great entertaining read for young and old alike Enjoy **Woman's Home Companion**, 1935 *Heavenly Chocolate Recipes* Sheryn R.
