**Guides for Writing and Evaluating Quantity Recipes for Type A School Lunches** United States. Child Nutrition Division, 1969 *Fish & Shellfish Buying Guide and Quantity Recipes for Type A School Lunches*, 1967 *Garden Spot* David J. Walbert, 2002 Each year millions of tourists are drawn to Lancaster County Pennsylvania to experience first hand the quintessential pastoral both as an escape from urban life and as a rare opportunity to become immersed in history The area has attracted visitors eager to catch a glimpse of the distinctive religious community of the Old Order Amish to appreciate the beauty of the farmland to enjoy the abundant and delicious food of the Pennsylvania Dutch and most recently to shop at the area's outlet malls For nearly three hundred years Lancaster county has been a model of agricultural prosperity rooted in the family farm The rural character of the place remains Lancaster's predominant tourist attraction but is at odds with its rapidly rising population and the commercial and residential growth that has brought It is the tension between rural tradition progress and urbanization that lies at the core of Garden Spot David Walbert examines how twentieth century American culture has come to define and appreciate rurality and how growth and economic expansion can co exist with preservation of the traditional ways of life in the region Will small farms fail in a culture that has increasingly come to value productivity over quality of life What impact will further development have on maintaining this region's character Can rurality and progress co exist in the 21st century A vivid portrayal of the land and people residents and outsiders alike Garden Spot narrates the history of this region and considers the challenges Lancaster County and its people face in order to preserve their unique place
