## **Recipe Cream Potatoes:**

**100 Recipes** America's Test Kitchen, 2015-10-13 A provocative handpicked collection of relevant and surprising essential recipes for today's cook. We have countless recipes at our disposal today, but what are the real keepers—the ones that don't just feed us when we're hungry or impress our friends on Saturday night but inspire us to get into the kitchen? At the forefront of American cooking for more than 20 years, the editors at America's Test Kitchen have answered this question in an essential collection of recipes that you won't find anywhere else: **100 Recipes Everyone Should Know How to Make**. Organized into three recipe sections: Absolute Essentials, Surprising Essentials, and Global Essentials, each recipe is preceded by a thought-provoking essay that positions the dish. For example: Treating Pasta Like Rice Simplifies Everything, A Covered Pot Is a Surprisingly Good Place to Roast a Chicken, and Reimagine Pie in a Skillet to Simplify the Process. You'll find useful workday recipes like a killer tomato sauce that's almost as easy as opening a jar of the store-bought stuff, genius techniques for producing amazing flavor (try poaching chicken breasts over a garlic and soy-spiked brine), trust us, it's that good, and familiar favorites reinvigorated (the best beef stew comes from Spain and it's even easier to make than the stateside stew you've been eating for years). Gorgeous photography shot right in the test kitchen accompanies every recipe, revealing the finished dish as well as highlights of its preparation. Likely to stir debate among anyone interested in food and cooking, **100 Recipes Everyone Should Know How to Make** provides a snapshot of how we cook today and will galvanize even the most jaded cook to get into the kitchen.

the reader information on certain ingredients or tell them how to prepare part or all of the recipe in advance This book also has a Tip and Advice section that touches on some important aspects of cooking I tested all of the recipes in this book before conducting the classes that they were featured in In addition many class participants went home and made the recipes and reported how the food turned out so I know that these recipes are great and really work This is so important as it seems that there are a lot of cookbooks out there where the recipes are not tested before hand To this day I use these recipes at home because the resulting dishes are so tasty This is a book that can be used for everyday food and also for special occasion dishes It has quite a few healthy recipes too As I am a chef and a registered dietitian I was called on to teach a lot of classes featuring healthy foods so I have included those recipes as well I have made the recipes simple and have not used any hard to find ingredients I really want people to enjoy reading this book and using it a lot
