## **Recipe For Agua De Horchata:**

**Breakfast in Texas** Terry Thompson-Anderson, 2023-08-01 Texans love the morning meal whether it's bacon and eggs often eaten in a breakfast taco or something as distinctively nontraditional as saag paneer omelets, pon haus or goat curry. A Lone Star breakfast can be a time for eating healthy or for indulging in decadent food and drink. And with Texas's rich regional and cultural diversity, an amazing variety of dishes graces the state's breakfast and brunch tables. The first Texas cookbook dedicated exclusively to the morning meal, *Breakfast in Texas* gathers nearly one hundred recipes that range from perfectly prepared classics to the breakfast foods of our regional cuisines: Southern Mexican, German, Czech, Indian, and Asian, among them. To stand out, dishes from the state's established and rising chefs and restaurants. Terry Thompson-Anderson organizes the book into sections that cover breakfast and brunch libations with and without alcohol, simple classic and fancy egg presentations, pancakes, French toast, and waffles, meat lover's dishes, seafood and shellfish, vegan dishes and sides, and pastries. The recipes reference locally sourced ingredients whenever possible, and Thompson-Anderson provides enjoyable notes about the chefs who created them or the cultural history they represent. She also offers an expert primer on cooking eggs, featuring an encounter with Julia Child, as well as a selection of theme brunches: the boozy brunch, the make-ahead brunch, New Year's Day brunch, Mother's Day brunch with seasonal ingredients, teenage daughter's post-slumber party breakfast, and more. Sandy Wilson's color photographs of many of the dishes and the chefs and restaurants who serve them provide a lovely visual counterpoint to the appetizing text.

*Flavor of Wisconsin for Kids* Terese Allen, Bobbie Malone, 2014-09-12 What are some food favorites in Wisconsin, and why are they special to us? How have our landscape and the people who have inhabited it contributed to our food heritage? This unique blend of history book and cookbook gives kids a real taste for hands-on history by showing them how to create and sample foods that link us to the resources found in our state and the heritage of those who produce them. Designed for kids and adults to use together, *The Flavor of Wisconsin for Kids* draws upon the same source material that makes *The Flavor of Wisconsin* by Harva Hachten and Terese Allen a fascinating and authoritative document of the history and traditions of food in our state and presents it in a colorful, kid-friendly format that's both instructional and fun. Mindful of the importance of teaching kids about where the foods they eat come from, each chapter examines a different food source: forests, waters, vegetable, meat, and dairy farms, gardens, and communities. The authors explore our state's foodways from their origins to how they have changed over the years and then offer a selection of related recipes. The recipes are written for modern kitchens but use many traditional ingredients and techniques. Level of difficulty is clearly noted, as well as whether a recipe requires a heat source to prepare.
