## Recipe For Beef Tamales:

**Delta Hot Tamales** Anne W. Martin, 2021-04-13 A destination book filled with tales of intrigue and eccentricity about a distinct strain of hot tamales born deep in the Mississippi Delta. Eat Y'all! Several theories surround the traditional Delta tamale. Some trace it back to Mexican and Italian immigrants while others say the Delta version of the hand-held meal is a spin on the old African American food called cush. One thing not disputed is the popularity. From hot tamale legends Joe Pope, Shine Thornton, and the Scott family to current chefs, the traditions and the secret recipes live on. Writer and historian Anne Martin showcases the stories behind the traditional Delta hot tamale as well as the countless variations of the delicacy found within the region. Author Anne Martin explains in her new book about the Mississippi Delta's own version of hot tamales and why they have remained a staple of Delta cuisine for generations. Even if you've never tasted the Delta's favorite food, Martin's book will have you running for the nearest hot tamale stand. Today in Mississippi Delta Hot Tamales History Stories Recipes is not a traditional cookbook by any means. The book uses local food as a lens to explore the rich culture and history of an often misunderstood area in an often misunderstood state. Eat Y'all! Serves up a historical record and a thorough look at the current status of this distinctive culinary treat. Clarion Ledger
