Sweet Treats around the World Timothy G. Roufs, Kathleen Smyth Roufs, 2014-07-29 From apple pie to baklava cannoli to gulab jamun sweet treats have universal appeal in countries around the world This encyclopedia provides a comprehensive look at global dessert culture Few things represent a culture as well as food Because sweets are universal foods they are the perfect basis for a comparative study of the intersection of history geography social class religion politics and other key aspects of life With that in mind this encyclopedia surveys nearly 100 countries examining their characteristic sweet treats from an anthropological perspective It offers historical context on what sweets are popular where and why and emphasizes the cross cultural insights those sweets present The reference opens with an overview of general trends in desserts and sweet treats Entries organized by country and region describe cultural attributes of local desserts how and when sweets are enjoyed and any ingredients that are iconic Several popular desserts are discussed within each entry including information on their history their importance and regional cultural variations on preparation An appendix of recipes provides instructions on how to make many of the dishes whether for school projects or general entertaining

Culinary Colonialism, Caribbean Cookbooks, and Recipes for National Independence Keja L. Valens, 2024-02-16 Women across the Caribbean have been writing reading and exchanging cookbooks since at least the turn of the nineteenth century These cookbooks are about much more than cooking Through cookbooks Caribbean women and a few men have shaped embedded and contested colonial and domestic orders delineated the contours of independent national cultures and transformed tastes for independence into flavors of domestic autonomy *Culinary Colonialism Caribbean Cookbooks and Recipes for National Independence* integrates new documents into the Caribbean archive and presents them in a rare pan Caribbean perspective The first book length consideration of Caribbean cookbooks *Culinary Colonialism* joins a growing body of work in Caribbean studies and food studies that considers the intersections of food writing race class gender and nationality A selection of recipes culled from the archive that *Culinary Colonialism* assembles allows readers to savor the confluence of culinary traditions and local specifications that connect and distinguish national cuisines in the Caribbean

[The Taste of Colombia](#) Antonio Montaña, 1997 It is hard to find a corner of the world where celebrations are not linked to food in one way or another Sharing a meal cooking special dishes and eating symbolic foods are rituals almost inadvertent ones that are present in all cultures and that make up the gamut of what is known as culinary specialties or ethnic food This 224 page book is a complete tour through Colombian cuisine illustrated with 199 exceptional color photographs by Hans Doring that enable us to appreciate the succulent appearance of each dish and of its various ingredients Due to Colombia's geographical and cultural variety this country has a vast culinary repertoire that is deep rooted in its history the native Indian and the Spaniard traditions finely seasoned at times by a pinch of African and by the various influences of immigration This book is a treasure chest of more than 133 recipes from the diverse regions of Colombia described with just the right amount of detail to obtain a

perfect meal
