**The Art of Distilling, Revised and Expanded** Bill Owens, Alan Dikty, Andrew Faulkner, 2019-01-22 The Art of Distilling Revised and Updated presents the techniques and inspirations of the most innovative micro distillers working today and ties it together with incredible insider photography In this comprehensive guide to artisan distilling American Distilling Institute founder Bill Owens will teach you how contemporary master distillers transform water and grain into the full range of exquisite timeless spirits The Art of Distilling Revised and Updated is your exclusive backstage pass into the world of small scale distilling of whiskies gins vodkas brandies and many other spirits Like no other book on the subject The Art of Distilling goes to lengths to explore the actual craft of distilling in detail Beginning with a brief history of distilling and introduction to the process itself this book offers a comprehensive overview of the art of distilling today The revised and expanded edition includes even more practical tips tricks and instruction and has been

updated to include growth and development in the artisan distilling space over the past decade *The Art of Distilling Revised and Updated* is the consummate insider's guide to distilling and its techniques *The Essential Cocktail* Dale

DeGroff, 2010-07-14 Dale DeGroff is widely regarded as the world's foremost mixologist. Hailed by the New York Times as single-handedly responsible for what's been called the cocktail renaissance, he earned this reputation during his twelve years at the fashionable Promenade Bar in New York City's Rainbow Room. It was there in 1987 that he not only reintroduced the cocktail menu to the country but also began mixing drinks from scratch using impeccably fresh ingredients instead of the widespread mixes used at the time. Known especially for crafting unique cocktails, reviving classics, and coaxing superior flavor from his ingredients, DeGroff has selected his 100 essential drinks and 100 of their best variations, including many of his signature cocktails for this premier mixology guide. *The Essential Cocktail* features only those drinks that stand out for their flavor, interesting formula, or distinctive technique. These are the very ones every amateur and professional bartender must know: the martinis, sours, highballs, tropicals, punches, sweets, and classics, both old and new, that form the core of a connoisseur's repertoire. Throughout the book are DeGroff's personal twists, such as a tangy Grapefruit Julep or a refreshing Yuzu Gimlet. To complement the tantalizing photographs of each essential cocktail, DeGroff also regales readers with the fascinating lore behind a drink's genesis and instructs us on using the right ingredients, techniques, glasses, and garnishes. As Julia Child's *Mastering the Art of French Cooking* was the classic compendium for home chefs and gourmands, so *The Essential Cocktail* will be the go-to book for serious mixologists and cocktail enthusiasts. **The Complete Cook's Country**

Rosemary Fillmore has never endeavored anything more than a good book a cool glass of sweet tea and a cat to curl up in her lap after a long day of teaching teenagers how to dissect literary masterpieces Dowdy and shy hardly anyone in her quaint southern town of Vallantine Georgia knows she exists and the only time she has an ounce of confidence is if the world is a fictional one So when three of her star students suddenly start to show an interest in her personal life or lack thereof she wonders what on earth the girls are after Or why And how it involves a certain town librarian Because she hasn t exactly agreed with how he s been running the beautiful landmark into the ground since taking over and frankly she s been more than a little upset about it Besides he is probably the sole person more awkward than herself despite how kind or understatedly handsome he may be As the only living descendant of the original town founders saving the Vallantine Library from destitution falls on Sheldon Brown s shoulders And he s failing Miserably The one hundred and forty year old historical building erected by his ancestors has been in near ruins for a decade and the state of the library system is declining What he doesn t need adding to his burden is giggling teenage girls hanging out between the stacks spying on him and asking silly questions about their teacher Even if the woman in question is Rosemary Pretty sweet and utterly endearing Rosemary who he s been attempting to ask on a date since forever Except he s chronically gotten the impression she doesn t approve of him or his attempts to save the library But then a mishap one night and a strange challenge from an unlikely source changes everything and he wonders if perhaps two introverted bookworms can get a happy ending after all
