**The Fourteen Lives of Matt Perry** Matthew Perry, 2009-01-05 Who can say how words in this book will be received Will readers respond to a message about immigration and resilience I know my own reaction I came to the conclusion that nobody would buy in That was a switch because I had believed people would eat up my every word As I wrote a change came over me I began to believe that my words would also change others Even Warren Buffett the modern King Midas I began to see that my book was not just about emigration and resilience but also about repentance and redemption I accepted the notion that this was my Pactolus the river which had lifted the burden of greed and threat from Midas whose food and drink and daughter turned into gold at his touch Suddenly Midas was free to live like a person who could touch his food drink and family members without bad results He was freed from his addiction to wealth My 77 year span unfolded before my eyes I recorded all traumas in detail a million words hundreds of pages Slowly I began to understand that I was having a conversion experience I went from admiration and love of pennies nickels dimes riches wealth an addicted state of mind to the realization that I had a condition which I call Buffett mania As Buffett s biographer Schroeder wrote this year Buffett did not control money Rather money controlled Warren Buffett In Omaha Buffett stole his sister s bicycle because he wanted a trade in as he bought a bicycle for himself He shop lifted golf balls at Sears in Washington so he could sell balls himself During my careers as chemical engineer and stock market analyst I observed Buffett mania in my engineering and business associates but overlooked my addiction I still have traces of this mental illness Now I have decided to be a man to confront Warren Buffett with my book Buffett s biographer describes his mania in a new biography The Snowball American preoccupation with economics played a part in Warren Buffett s so called success and so called wealth There is an antidote to the poison of addiction to greed and that is this book My Fourteen Lives My resilience which saved my life 13 times is nothing less than a gift from God who will also save Warren Buffett from his greed It s not just about my life and that of Warren Buffett because 500 000 other lives hang in the balance Addiction to greed has targeted many victims for a hellish life and death Time for repentance and redemption Time to give away your money Mr Buffett In your own lifetime Do it yourself As Carnegie did As Rockefeller did As Morgan did Time for everybody on Wall Street to refuse the end of year bonus Buy books instead Buy The Snowball Warren Buffett and the business of life 35 for 960 pages Buy My Fourteen Lives the many lives of Matthew Valentin Perry Give them as presents Read them yourself You never know
