Nostradamus and use them to stop an impending terrorist attack and will anyone believe them GAMESMANSHIP David D Williams,2014-02-20 For some betraying justice is a small price to pay for riches For others the truth is more important than money When deceit and integrity clash gamesmanship controls the outcome A legal thriller filled with compelling characters and suspense GAMESMANSHIP is a masterful tale where justice becomes a dangerous game of hide and seek After a workplace accident claims lives a corrupt trial lawyer and a greedy business owner enter into a devious conspiracy to unfairly profit from the tragedy For them altering evidence even committing murder is justifiable when the shared reward is a half billion dollars The dead workers a key witness and the integrity of the justice system mean nothing to men who believe the rules don t apply to them But three things stand in the way of their plunder the ingenuity of the only witness who knows what really happened the tenacity of two young and honest lawyers who represent a brave widow and the inspiring common sense of an old style courtroom legend whose bungling demeanor and simple ways mask the genius necessary to discover the complex crime of the conspirators Praise for Gamesmanship The struggle between good and evil set in the context of a high profile lawsuit with millions at stake makes Gamesmanship a fun and fascinating read Williams spins a tale of legal machinations with complete authority through characters you can never forget Margaret Leslie Davis Bestselling Author of Dark Side of Fortune A great novel like a good script stirs emotions and sweeps you away in story With Gamesmanship David D Williams ably demonstrates what good story telling is all about It s a thrilling read Tony Thomas Award Winning Film and Television Producer *Boomtown* Baer Charlton,2023-01-09 Milpitas was a thug town Felix hadn t always been a thug and he hadn t grown up in Milpitas He had found Milpitas because of its reputation and he had worked hard to fit into the reputation Trouble continues to find Hooker and the Squirt Through the slow drizzle of spring business is just enough to prevent much needed maintenance on Mae West Hooker and the Squirt both know in their guts her cables are stretched and worn They should have been replaced long ago But will they still hold when their lives depend on them the most Boomtown

starts 1974 in the south Bay Area As the Squirt makes his way and reputation at the police academy and Candy continues to work on becoming a nurse Hooker slogs his way around south San Jose But things aren't right as business after business experience freak explosions that defy explanation *Better Living Through Plastic Explosives* Zsuzsi Gartner, 2011-04-05 From an emerging master of short fiction and one of Canada's most distinctive voices a collection of stories as heartbreaking as those of Lorrie Moore and as hilariously off-kilter as something out of McSweeney's In *Better Living through Plastic Explosives* Zsuzsi Gartner delivers a powerful second dose of the lacerating satire that marked her acclaimed debut *All the Anxious Girls on Earth* but with even greater depth and darker humour Whether she casts her eye on evolution and modern manhood when an upscale cul de sac is thrown into chaos after a redneck moves into the neighbourhood international adoption war photography real estate the movie industry motivational speakers or terrorism Gartner filets the righteous and the ridiculous with dexterity in equal glorious measure These stories ruthlessly expose our most secret desires and allow us to snort with laughter at the grotesque world we'd live in if we all got what we wanted *Vapour and Trace Detection of Explosives for Anti-Terrorism Purposes* M. Krausa, 2012-11-06 The fast detection of explosives from the vapor phase would be one way to enhance the protection of society against terrorist attacks Up to now the problem of detection of explosives especially the location of explosives whether at large areas e.g. station halls theaters or hidden in cars aircraft cargo baggage or explosives hidden in crowds e.g. suicide bombers or bombs in bags has not been solved Smelling of explosives like dogs do seems to be a valuable tool for a security chain In general different strategies can be adopted to the basic problem of explosive detection bulk detection vapor detection Normally meetings cover both aspects and applications of the detection Even though both methods might fulfill special aspects of a general security chain the underlying scientific questions differ strongly Because of that the discussions of the scientists and practitioners from the different main directions are sometimes only less specific Therefore the NATO Advisory Panel in Security Related Civil Science and Technology proposed a small series of NATO ARW's which focuses on the different scientific aspects of explosives detection methods This book is based on material presented at the first NATO ARW of this series in Moscow which covered the topic Vapor and trace detection of explosives The second ARW was held in St Petersburg and treated the topic Bulk detection methods The third workshop was held in Warwick and focused on electronic noses which cover a somewhat different aspect of vapor detection

Astonishing the Wild Pigs Lucien F. Trueb, 2015-02-17 A hydraulic machine for astonishing wild pigs was one of the many technological highlights the author encountered in the course of his career as a research scientist and science writer Writing a book about them never taking more or less than two printed pages for each of 146 subjects was a very special challenge The book covers fundamentally important achievements of technology that directly impacted mankind or even profoundly changed it Many of those highlights are quite new at least one of them power generation by nuclear fusion is not available yet But particularly ingenious things dating way back were also included as they are the base of our technical

civilization Good examples are ceramics as well as copper bronze and iron whole periods of history have been named for the latter three The analog computer of Antikythera used for stellar navigation was made some 2100 years ago gunpowder was used in China as early as 1044 A D the astronomical clock in the Strasburg cathedral was built in the 19th century On the other hand Theodor W H nsch and John L Hall were granted a Nobel Prize in 2005 for a discovery that brought us extremely accurate optical clocks And the Smartphone was a 2007 breakthrough hundreds of millions of them have been sold since then The basic concept of describing and explaining major technological highlights to non scientists with just 800 words was inspired by the column Inventions fifty years later in the Swiss daily Neue Z rcher Zeitung NZZ to which the author contributed on a regular base since 2007 The column was later renamed Achievements of Technology no more time limits Many of the book chapters were taken from those sources updated edited and translated into English Other sources were articles the author wrote for various newspapers and magazines However many highlights of technology were researched and written specifically for this book Reading it is both fun and highly instructive Research on Neurological and Communication Disorders United States. Congress. Senate. Committee on Appropriations. Subcommittee on Departments of Labor, Health and Human Services, Education, and Related Agencies,1998 *Heavy Duty Attitude* Iain Parke,2024-05-21 I liked your book he said as we shook hands across the table Well thanks I answered guardedly as I slid onto the bench seat opposite him and sat down It was around three months since it had come out and so just coming up to about a year since his election You mean the one that just about stopped short of saying that you killed him I asked or that you at least had him killed Yes he nodded with a smile on his wolfish face I particularly liked that part Iain had written a book about The Brethren MC and how powerful they could be He knew it was a dangerous thing to have done whether they liked it or not and one that had taken him part way into their world And now it was his turn Now a new President with big boots to fill was going to make him an offer he was going to find difficult to refuse and once in the outlaw biker s world steeped in the smells of engine oil and leather would he ever be able to get out again And as an outsider on the inside with serious trouble looming who if anyone can he trust The second instalment of the Brethren MC Trilogy a British Sons of Anarchy *The Black Squall W.* Musgrove,2001-03 Jean Pearson a 29 year old veterinarian from Youngstown Ohio arrives in Fort Lauderdale to arrange for the funeral of her father and uncle It appears that they died in a typical gasoline engine boating explosion until Jean learns that the blast was caused by bomb She hardly has time to react to this news when she is pursued in a high speed car chase and barely escapes being kidnapped Frightened and alone Jean meets a girlhood friend a wealthy Anglo Mexican socialite who invites Jean to stay aboard her yacht Together they set out to investigate the murders and they soon uncover a web of treachery that leads to government corruption tangled conspiracies cocaine smuggling and a billion dollar land fraud scheme Targeted for assassination they find themselves being hunted by both the villains and the police as they careen through Florida in a desperate gamble to find the only evidence that will ensure their survival They make their way to a battered
