Enchantment

At the beginning of each player's draw step, that player draws an additional card. Whenever a player draws a card, Spiteful Visions deals 1 damage to that player.

underlying theoretical framework unites findings of sex ratio variation across a huge range of life forms from malarial
parasites and hermaphroditic worms to sex changing fish and mammals He shows how research on sex allocation has been
central to many critical questions and controversies in evolutionary and behavioral biology and he argues that sex allocation
