Too Many Murders:

Too Many Murders Colleen McCullough, 2014-07-29 The second book in the Carmine Delmonico mystery series Too Many Murders sees the resolute detective caught up in a seemingly insoluble high stakes case It s a beautiful spring day in the little city of Holloman Connecticut the year is 1967 and the world teeters on the brink of nuclear holocaust as the Cold War goes relentlessly on But Holloman has other things to worry about on April 3rd 1967 twelve murders have taken place on one day Suddenly Captain Carmine Delmonico chief of detectives has other more important matters to occupy his mind than finding a satisfactory name for his infant son With his cohorts Abe Goldberg and Corey Marshall giving him unfailing support Carmine embarks on what looks like an insoluble case All the murders are different and no victim is connected to any of the others One group centers around the great university Chubb while another is inextricably tied to the armaments giant Cornucopia And as if twelve murders were not enough Carmine soon finds himself pitted against the mysterious Ulysses a spy giving Cornucopia s armaments secrets to the Russians Are the murders and espionage different cases or are they somehow linked Too Many Murders sees Carmine contending with a very different kind of problem than the one he faced in On Off It takes the addition of a new member to his team the meticulous Delia Carstairs to give Carmine the right bunch of people to solve the new case a group that also includes the cantankerous Judge Douglas Thwaites the smooth operator Commissioner John Silvestri and his wife Desdemona

murder shrieks out wrote playwright John Webster in 1623 and our fascination with murder and murder trials has continued unabated to the present Murder is after all the most dramatically unlawful thing a person can do to another It runs counter to the very fundamentals of human society breaching what social philosophers have termed the social contract Society speaks with its firmest voice in addressing the conduct of its members who kill another and murder prosecutions have the direst of consequences of any court proceeding as they may occasion the loss of a violator's liberty for life or even the loss of his or her life itself But most murder cases while fascinating in the motives or personalities of the killers or the circumstances of the killings and the ensuing trials receive little attention and recede into ordinariness Only rarely does a murder case become a cause célèbre notorious enough to capture wide attention the O J Simpson Scott Peterson Claus von Bülow type cases prove the exception rather than the rule For the most part the public's perception of garden variety murder trials quickly becomes only memory's ashes strewn sparsely on the fields of public awareness Brought to life by the prosecutor who tried the six everyday murders narrated here three in Manhattan and three in San Francisco these true stories prove redolent with drama encapsulating raw human emotions that often impel man to murder greed lust jealousy hatred as well as mere folly and actually are quite extraordinary in their own context Sit at the prosecution's table with masterful prosecutor Hugh Anthony Levine as he represents the People of the State of New York or the People of the State of California in the trials of some everyday murders [Murder Ignited](#) Rose Pascoe,2024-07-25 Penrose and Pyke's wedding dream turns to ashes when the local women's refuge goes up in flames Grace Penrose is used to protesters at Lavender House but she never expected them to set the refuge on fire especially not on her wedding day And her mother's carefully orchestrated wedding plan definitely did not include Charlie Pyke disappearing into an inferno The discovery of a woman's body in the smouldering ruins rouses Grace and Charlie's detective instincts With marital bliss on their minds an investigation is the last thing they need But how can they ignore a murder especially when a second victim has links to the notorious importer selling opium to the Chinese community The Penrose Pyke Mysteries are a series of heart warming pulse racing historical mysteries set during a remarkable period of social upheaval in 1890s New Zealand [MURDER ON THE CHESAPEAKE: A MARGARET BARLOW MYSTERY](#) David Osborn,2000-12-06 When a scholarship student is found hanging from the chapel bell tower at Margaret Barlow's alma mater the amateur sleuth returns to the exclusive boarding school and plans an ingenious trap for the killer Grandmotherly sleuth Margaret Barlow returns to the hallowed halls of her alma mater to solve the mystery of a young girl found hanged in the bell tower [Legal Evidence and Proof](#) Henry Prakken,Hendrik Kaptein,2016-04-22 As a result of recent scandals concerning evidence and proof in the administration of criminal justice ranging from innocent people on death row in the United States to misuse of statistics leading to wrongful convictions in The Netherlands and elsewhere inquiries into the logic of evidence and proof have taken on a new urgency both in an academic and practical sense This study presents a broad perspective on logic by focusing on inference not just in isolation but as embedded in contexts of

procedure and investigation With special attention being paid to recent developments in Artificial Intelligence and the Law specifically related to evidentiary reasoning this book provides clarification of problems of logic and argumentation in relation to evidence and proof As the vast majority of legal conflicts relate to contested facts rather than contested law this volume concerning facts as prime determinants of legal decisions presents an important contribution to the field for both scholars and practitioners **The Jane Doe Murders** Philip B. Rowe,2012-03 *Murder at Wolf Creek* J.S.

Blakey,2025-03-21 Frannie Rose backs her walker into the ladies room at the Wolf Creek Senior Center It s a bitch she says to herself wincing as she bangs into the door When she turns around she confronts the bloody body of Elyse Crane protruding from the floor of a stall As it turns out Frannie could just have easily been referring to Elyse Frannie much to the despair of Detective Oleros has a sabertooth tongue and wisecracks her way into clues to Elyse s murder stumbles into a teenage girl trafficking ring and survives a fentanyl poisoning attempt before the kidnapping climax that reveals the killer and even greater evil Throughout Frannie survives her own PTSD facing her own past when its terrors are triggered by the blood soaked present **Blood & Ink** Albert Borowitz,2002 The interplay between crime fact and crime fiction can be detected back to literature s earliest beginnings True crime has long been the basis of many plots of memorable literature from Nathaniel Hawthorne s *The Scarlet Letter* to Jean Genet s play *The Maids* there has often been blood on the page
