To The Devil His Due:

Giving the Devil His Due Jessica Hooten Wilson, 2017-02-28 Flannery O'Connor and Fyodor Dostoevsky shared a deep faith in Christ which compelled them to tell stories that force readers to choose between eternal life and demonic possession. Their either/or extremism has not become more popular in the last fifty to a hundred years since these stories were first published, but it has become more relevant to a twenty-first century culture in which the lukewarm middle ground seems the most comfortable place to dwell. *Giving the Devil His Due* walks through all of O'Connor's stories and looks closely at Dostoevsky's magnum opus *The Brothers Karamazov* to show that when the devil rules, all hell breaks loose. Instead of this kingdom of violence, O'Connor and Dostoevsky propose a kingdom of love, one that is only possible when the Lord again is king.

Giving the Devil His Due Michael Shermer, 2020-04-09 Explores how free speech and open inquiry are integral to science, politics, and society for the survival and progress of our species. *The Devil Gets His Due* Leslie Fiedler, 2009-12-22 Despite his often unacknowledged influence, academics, intellectuals, and the general audience in America and abroad still read Leslie Fiedler's work and draw on its concepts. He inspired both reverence and Leonard Cohen penned "leaning over the American moonlight like the shyest gargoyle who will not become angry or old and rage." Saul Bellow called him "the worst fucking thing that ever happened to American literature." The essays in *The Devil Gets His Due* will reacquaint readers with the depth and breadth of Fiedler's achievements. Tackling subjects ranging wildly from Dante, Ezra Pound, and Mary McCarthy to Rambo, Iwo Jima, and Jerry Lewis, these writings showcase Fiedler's pioneering of an egalitarian canon that encompassed both high and popular literature, cinema, and history. As such, they show a powerful mind critiquing whole aspects of a culture and uncovering lessons therein that remain timely today. A lengthy introduction by Professor Samuele F. S. Pardini offers both context and history with an in-depth profile of Fiedler and his career as both a literary critic and a public intellectual.

Giving the Devil His Due Jeffrey Andrew Weinstock, Regina M. Hansen, 2021-10-05 Finalist 2021 Bram Stoker Awards Superior Achievement in Non-Fiction. The first collection of essays to address Satan's ubiquitous and popular appearances in film. *Lucifer* and cinema have been intertwined since the origins of the medium. As humankind's greatest antagonist and the incarnation of pure evil, the cinematic devil embodies our own culturally specific anxieties and desires, reflecting moviegoers' collective conceptions of good and evil, right and wrong, sin and salvation. *Giving the Devil His Due* is the first book of its kind to examine the history and significance of Satan onscreen. This collection explores how the devil is not just one monster among many, nor is he the prince of darkness merely because he has repeatedly flickered across cinema screens in darkened rooms since the origins of the medium. Satan is instead a force active in our lives. Films featuring the devil therefore are not just flights of fancy but narratives sometimes reinforcing, sometimes calling into question, a familiar belief system. From the inception of motion pictures in the 1890s and continuing into the twenty-first century, these essays examine what cinematic representations tell us about the art of filmmaking, the desires of the film-going public, what the

cultural moments of the films reflect and the reciprocal influence they exert Loosely organized chronologically by film though some chapters address more than one film this collection studies such classic movies as Faust Rosemary's Baby The Omen Angel Heart The Witch and The Last Temptation of Christ as well as the appearance of the Devil in Disney animation Guiding the contributions to this volume is the overarching idea that cinematic representations of Satan reflect not only the hypnotic powers of cinema to explore and depict the fantastic but also shifting social anxieties and desires that concern human morality and our place in the universe Contributors Simon Bacon Katherine A Fowkes Regina Hansen David Hauka Russ Hunter Barry C Knowlton Eloise R Knowlton Murray Leeder Catherine O'Brien R Barton Palmer Carl H Sederholm David Sterritt J P Telotte Jeffrey Andrew Weinstock
