*My Long, Strange Journey* Tom Oldoski, 2024-11-19 What is truth especially when it pertains to spirituality Aren't we all just living on faith while trying to navigate our soul journeys This book is one man's wrestling with the questions plaguing us all Who are we Why are we here Where is God in all of this And perhaps most essentially What is God and how should we relate to Him This is a book designed to spur thought and reflection It hopefully will spark loving conversations between friends in laws and outlaws No one has a monopoly on the truth we're all just seekers with whom God is relating individually If you like thought that colors a bit outside the lines then you might want to try this book on for size and travel a bit outside the box

**A Horrible Experience of Unbearable Length** Roger Ebert, 2022-05-24 More of the Pulitzer Prize winning film critic's most scathing reviews *A Horrible Experience of Unbearable Length* collects more than 200 of his reviews from 2006 to 2012 in which he gave movies two stars or fewer Known for his fair minded and well written film reviews Roger is at his razor sharp humorous best when skewering bad movies Consider this opener for the one star *Your Highness Your Highness* is a juvenile excrescence that feels like the work of 11 year old boys in love with dungeons dragons warrior women pot boobs and four letter words That this is the work of David Gordon Green beggars the imagination One of its heroes wears the penis of a minotaur on a string around his neck I hate it when that happens And finally the inspiration for the title of this book the one star *Transformers Revenge of the Fallen* *Transformers Revenge of the Fallen* is a horrible experience of unbearable length briefly punctuated by three or four amusing moments One of these involves a doglike robot humping the leg of the heroine If you want to save yourself the ticket price go into the kitchen cue up a male choir singing the music of hell and get a kid to start banging pots and pans together Then close your eyes and use your imagination Roger Ebert's *I Hated Hated Hated This Movie* and *Your Movie Sucks* which gathered some of his most scathing reviews were bestsellers This collection continues the tradition reviewing not only movies that were at the bottom of the barrel but also movies that he found underneath the barrel Movie buffs and humor lovers alike will relish this treasury of movies so bad that you may just want to see them for a good laugh

**Your Spacious Self** Stephanie Bennett Vogt,2012-10-01 IT S A JUNGLE IN HERE Behind our stress clutter and confusion is an infinitely spacious place one might call stillness or joy This is our natural state of being but we usually don t experience it because we are caught in a web of material possessions desires and fears Our clutter often becomes another member of the family that we feed house and lug around In Your Spacious Self author and professional space clearing expert Stephanie Bennett Vogt shows us that it s not our stuff but the holding on to it that creates a force field of stuck ness that clouds our perceptions and paralyzes our lives Clutter is not just the junk spilling out of the closet It is anything or thought that prevents us from experiencing who we truly are With daily tips meditations and a decluttering checklist Your Spacious Self will show you how to CLEAR THE CLUTTER in your home and in your life REVEL IN YOUR OWN SPACIOUSNESS a place of stillness and joy LET GO OF THE PEOPLE PLACES AND THINGS that no longer serve the joyous being that you are Radical in its message and elegant in its simplicity Your Spacious Self offers a new model that combines the ancient wisdom of space clearing with the modern practicality of clutter clearing It teaches us that clearing is not just something we do but is also a powerful way to be one small step drawer or moment at a time

**Heaven on Earth** Michael Battle,2017-02-23 Much of the literature on the book of Revelation paints a frightening apocalyptic vision of the end times Michael Battle offers an alternative look at Revelation in this new work seeing it instead as a hopeful call to bring heaven on earth Battle explores the problematic imagery found in Revelation before showing how similar problems play out in our contemporary world Battle sees Revelation as a guide that shows us that we can live out God s call for heaven on earth by living in community with one another as exhibited through the writings of Martin Luther King Jr Desmond Tutu Rowan Williams and Ubuntu theology He writes I seek to imagine in my particular Christian context how a view of heaven need not

lead to culture wars and further excuses for oppressing others Heaven as envisioned by John of Patmos has much greater purpose

Fox, 2019-09-24 At some point in the Christian faith journey most people ask the question Why did Jesus die The most common answer is For my sins But what if Jesus died because of the sin of humanity not for individual sins It seems weirdly illogical for a God who is love 1 John 4:8 to demand a blood sacrifice to cover sin It is not what the Jewish sacrificial system supported either I hope that this book will help us understand that God loves us and will not forsake us Ever Forgiveness is about love not punishment The Devolution of Man Loren Psaltis, 2015-03-14 The question Where do we come from may never be answered But Why do we exist that is my interest Humanity has become a tribe of production and consumption But for a small percentage of enlightened thinkers through history the likes of Albert Einstein Mahatma Gandhi Martin Luther King Jr Leonardo da Vinci Fibonacci Isaac Newton Rumi Nikolai Tesla Socrates Jesus Mohammed Siddhartha Gautama and their peers for the greater part of human history we have steadily devolved into a race of slavery to a system that has led us to disease depression debt war and poverty for the majority of the world's population I have a theory after many years of studying what ancient cultures knew to the systems we now have devolved to create that happiness health wealth good fortune long life love and joy are easily achieved Our birthright in fact And there is a way back accessible to all It is time to know why we exist *The Fear Cure* Lissa Rankin, M.D., 2016-03-08 Not many people in the medical world are talking about how being afraid can make us sick but the truth is that fear left untreated becomes a serious risk factor for conditions from heart disease to diabetes to cancer Now Lissa Rankin M.D. explains why we need to heal ourselves from the fear that puts our health at risk and robs our lives of joy and shows us how fear can ultimately cure us by opening our eyes to all that needs healing in our lives Drawing on peer reviewed studies and powerful true stories The Fear Cure presents a breakthrough understanding of fear's effects and charts a path back to wellness and wholeness on every level We learn How a fearful thought translates into physiological changes that predispose us to illness How to tell true fear the kind that arises from a genuine threat from false fear which triggers stress responses that undermine health How to tune in to the voice of courage inside our Inner Pilot Light How to reshape our

relationship to uncertainty so that it is no longer something to dread but a doorway to new possibilities What our fears can teach us about who we really are At the intersection of science and spirituality The Fear Cure identifies the Four Fearful Assumptions that lie at the root of all fears from the sense that we are alone in the universe to the belief that we can't handle losing what we love and shifts them into Four Courage Cultivating Truths that pave our way to not only physical well being but profound awakening Using exercises from a wide range of mind body practices and spiritual traditions Dr Rankin teaches us how to map our own courage cultivating journey write a personalized Prescription for Courage and step into a more authentic life
