necessary How do you know I don't like him I find myself blushing deeper crimson I mean he's not the single most handsome man I can think of I say but a girl's gotta take what she can get right Sometimes I just get lonely don't you I wince slightly as I hear the last words come out of my mouth That may have been taking it too far That's a very interesting perspective Rachel he says in a neutral voice But surely if you cared about him you wouldn't be manipulating him into giving you his work when he clearly didn't want to I let out an exaggerated sigh But Professor I say is it really that simple Sometimes you need something from someone and you're in a position to offer a sort of trade right A little affection to help get someone off the hook I've definitely warmed to my audience This all has to be having an effect He sits back and considers me for a long moment taking me in all of me The blush in my cheeks deepens still further as I find myself suddenly a little bit self-conscious What are you doing Rachel he asks Why do you think it's appropriate to act this way Or dress this way He makes a vague gesture I draw back slightly This isn't the reaction I expected Like what Professor You playing the slut to get what you want Do you think I'm some kid who'll go weak-kneed if you smile at me with your s hanging out What are you talking about Professor I ask as innocently as I can my heart beginning to hammer He seems angry It occurs to me I could get in legitimate trouble for this What am I talking about he asks I'm talking about this He grabs the loose flap of cloth of my partially open blouse and shakes me by it inadvertently pulling apart the other buttons in the process The garment falls open If it weren't obvious enough already that I'm not wearing a bra it's pretty f ing obvious now I look down and then back up at him in shock forgetting to cover myself He draws in a sharp breath as my sudden nakedness catches us both by surprise

Busted by the Professor (Student Teacher Older Woman Younger Man Taboo Erotica) Liliana Troy, Jared never thought his first semester at college would give him any trouble least of all Art History But finding Professor Liliana Troy in front of his class changes everything If he can only stop staring at her long enough to suppress the growing tension in his nether regions perhaps he can get out of there without doing anything to endanger his school record or his relationship with High School Sweetheart Ann Unfortunately fate as well as an appendage with a mind of its own has other ideas This story contains explicit descriptions of sex between a college professor and her younger student in a classroom setting and is intended for adult audiences only
