Writing Class Jincy Willett Guide:

The Writing Class Jincy Willett, 2009-05-26 Amy Gallup is gifted perhaps too gifted for her own good Published at only twenty two she peaked early and found critical but not commercial success Now her former life is gone along with her writing career and beloved husband A reclusive widow her sole companion a dour flatulent basset hound who barely tolerates her her daily mantra Kill Me Now she is a loner afraid to be alone Her only bright spot each week is the writing class that she teaches at the university extension This semester s class is full of the usual suspects the doctor who wants to be the next Robin Cook the overly enthusiastic repeat student the slacker the unassuming student with the hidden talent the prankster the know it all Amy s seen them all before But something is very different about this class and the clues begin with a scary phone call in the middle of the night and obscene threats instead of peer evaluations on student writing assignments Amy soon realizes that one of her students is a very sick puppy and when a member of the class is murdered everyone becomes a suspect As she dissects each student s writing for clues Amy must enlist the help of everyone in her class including the murderer to find the killer among them Suspenseful extremely witty brilliantly written unexpectedly hilarious and a joy from start to finish *The Writing Class* is a one of a kind novel that rivals Jincy Willett s previous masterpieces
