Written in the Stars Alix Bekins, 2012-04-02 Bailey McMillan's life is a mess. The general public blames him for his former employer's nuclear pollution resulting in professional disgrace. Humiliated, he takes a job as an editor at a science magazine run by his best friend John. That part isn't so bad. Bailey is fond of John who seems to find Bailey's abrasive nature amusing. Unfortunately, working for John also leads to writing an astrology column in exchange for getting free rein in some op-ed articles and then being sued over one. The totally coincidental accuracy of the column offers opportunity for further professional disgrace if anyone discovers its author and then Bailey digs himself a little deeper. In an attempt to prove astrology is bogus, he agrees to an experiment to date someone from each star sign. As if that wasn't bad enough, Bailey's got a stupid crush on John who stubbornly insists on a detailed breakdown of every date, bad and otherwise. Bailey's luck has to improve sometime, right?

We Danced Jeff Erno, 2012-06-01 For six years, Rex Payton has focused on two things: keeping his late father's small town Kentucky bar afloat and raising his nephew Tyler. After the tragic loss of his parents and sister, Rex has no interest in romance. He's respected in his community and regarded as one of Carlisle's most eligible bachelors, but he's accepted that his life isn't conducive to a romantic relationship, especially as a closeted gay man. Enter Josh Billings, a veterinary student who's serving an internship in town. Josh's deepest passion is helping animals. Romance is the furthest thing from his mind until the night he meets taciturn handsome Rex Payton. Chance and an after-hours dance conspire to forge an intimate connection neither man looked for. One neither man can ignore after the dance leads to a kiss. Suddenly, romance isn't so insignificant, but it's also not without complications. For this relationship to work, Josh has to decide if he can cope with dating a single dad. Rex has to open his heart, and Ty has to learn to share his dad's affection.

An Intoxicating Crush EM Lynley, 2013-07-10 A Delectable Novel Simon Ford's success is hard won. He grew up in Napa and resents the rich people who have moved into the valley, changing the culture by opening boutique wineries and pricing the locals out of the market. Austin Kelvin runs an award-winning winery his father started after making a fortune on Wall Street. He lives the posh lifestyle. Simon resents but secretly longs to attain. However, Austin's world isn't as luxurious and privileged as it seems; he didn't inherit his father's business savvy, and his winery is going under. When Simon's boss sends him to covertly scope out Kelvin Cellars for a possible takeover bid, Simon sees it as a step toward attaining his financial dreams. Until he falls hard for Austin. The feeling is mutual, but when Austin learns the real reason for Simon's initial interest, he suspects Simon's seduction is merely a means to procure the winery at a bargain price. If there's any hope of winning Austin's heart, Simon will have to risk it all to prove Austin is more than just an intoxicating crush. Like all Delectable stories, *An Intoxicating Crush* includes recipes used in the book.

When Work Is a Pleasure Alix Bekins, 2009-11-17 I love how slowly Justin and Garrett take their relationship. It's such a huge contrast compared to what Justin's professional life is like. You'd think he'd be all over Garrett, but his desire to have a real relationship with him instead is sweet. It makes the times they are intimate real and exciting.
