of Warwick especially Richard de Beauchamp inspired the spread of the legend but Guy's highest fame came in the Renaissance as one of the Nine Worthies. Widely praised in texts and allusions, Guy's feats were sung in ballads and celebrated on the stage in England and France. The first Anglo-Norman romance of Gui de Warewic, a Saxon hero of the tenth century, was written in the early 13th century; the latest retellings of the legend are contemporary. Examples of Guy's legend can be found in two English translations that survived the Middle Ages: a new French prose romance, a didactic tale in the *Gesta Romanorum*, and late medieval versions in Celtic German and Catalan, as well as English. Guy remained a favorite Edwardian children's story and was featured in the Warwick Pageant, an historical extravaganza of 1906. The patriotism of World War II sparked a resurgence of interest that produced several new versions, mostly folkloric.

*Chivalric Stories as Children's Literature* Velma Bourgeois Richmond, 2014-09-24. Knights and ladies, giants and dragons, tournaments, battles, quests, and crusades are commonplace in stories for children. This book examines how late Victorians and Edwardians retold medieval narratives of chivalry, epics, romances, sagas, legends, and ballads. Stories of Beowulf, Arthur, Gawain, St. George, Roland, Robin Hood, and many more thrilled and instructed children and encouraged adult reading. Lavish volumes and schoolbooks of the era featured illustrated texts, many by major artists. Children's books, an essential part of Edwardian publishing, were disseminated throughout the English-speaking world. Many are being reprinted today. This book examines related contexts of Medievalism expressed in painting, architecture, music, and public celebrations, and the works of major authors including Sir Walter Scott, Tennyson, Longfellow, and William Morris. The book explores national identity expressed through literature, ideals of honor and valor in the years before World War I, and how childhood reading influenced 20th-century writers as diverse as C.S. Lewis, J.R.R. Tolkien, Siegfried Sassoon, David Jones, Graham Greene, Ian Fleming, and John Le Carré.
