was wildly inappropriate given the situation I couldn't help but find her even more alluring when angry than when she was calm and collected. She seemed simultaneously capable of anything and yet in control. I got the sudden and very strange insight that she had probably been the type to get into a lot of trouble when she was younger. She turned back to look at me and caught me staring. Her eyes locked to mine, freezing me in place, and I watched a faintly appraising look come into her face. Her full lips pursed thoughtfully. Well, what are we going to do about this, she asked. The question sounded rhetorical, so I watched her without answering. Tell me, she said, walking over to lean against the desk, only a couple feet from me. What is it exactly you told people I did? Student Takes Charge (Femdom, Student/Teacher, Discipline, Humiliation) Nina Nauheim, 2014-12-05 Reader Advisory These stories are for mature audiences only and feature intensely erotic situations dominant women and submissive men taboo teacher student relations discipline spanking and humiliation All characters are 18 or older If he's being honest Sam Rogers sometimes enjoys jerking around the female college students in his classes but when he goes too far with his bad marks he finds out there's someone in his class who won't get pushed too far. Melanie, an undergraduate who knows how to take charge, has discovered a dirty little secret that Sam will do anything to keep from getting out into the open. She's willing to keep this secret between them but she wants to be sure that Sam still gets the punishment he so very much deserves. Excerpt I'm going to punish you, Sam, she explained, her hand opening first the belt and then my fly to push my pants down to my knees and allow them to fall the rest of the way to the floor. I clutched a hand over my crotch, now covered only by a pair of thin white briefs. You don't seem to be grasping that reality, she went on. It's either me or the Chair of your Department. Which one do you want it to be? I stared at her, caught in an impossible place. I had no one to blame but myself. Why had I done it? And now I was completely at her mercy. Well, You, I whispered. Me? You want me to punish you? I grimaced, trying to think of some other option. Sam, What's it going to be? Yes. The smile returned to her face. That's a good boy. I thought you'd see it my way. It just took a little explaining. Now bend down and pick up your pants and hand them to me. I'd hate to let them wrinkle down there. The deep crimson flush of humiliation was rising in my face as I stared at her, paralyzed. Sam, she repeated, pointing at my fallen garment. I slid my back down the wall until I felt the rumpled fabric in my hand. I stepped out of it and rose with it draped from my limp fingers. Melanie held out her hand for it and I gave it to her. She folded it with care, placed it on the desk behind her, and then turned back to me. She eyed me up and down, evaluating the man standing before her. I was supposed to be the authority figure but how fast the tables had turned. I felt the humiliating flush in my cheeks, burning hotter than ever, as I felt her soft brown eyes roving over my body. Other, more conflicted and confusing emotions were playing about inside me as well as I noticed the slight quickening of her breath and the almost predatory desire in her eyes.
