ground breaking analysis of his reading and is the first study to refer to and include images of the unpublished Marlow List a record of the books Shelley left behind him on his departure for Italy in 1818 Shelley s prosody grew to articulate his sense that actuality is experienced as ruptured and fractured with gaps and limit points He shows us the weakness of the actual As we approach the bicentenary of the poet s death Shelley s Broken World provides an exciting new beginning for the study of a major Romantic poet the history of materialism and prosody
