The Selected Works of Andrew Lang Andrew Lang, When the learned first gave serious attention to popular ballads from the time of Percy to that of Scott they laboured under certain disabilities The Comparative Method was scarcely understood and was little practised Editors were content to study the ballads of their own countryside or at most of Great Britain Teutonic and Northern parallels to our ballads were then adduced as by Scott and Jamieson It was later that the ballads of Europe from the Faroes to Modern Greece were compared with our own with European Märchen or children's tales and with the popular songs dances and traditions of classical and savage peoples The results of this more recent comparison may be briefly stated Poetry begins as Aristotle says in improvisation Every man is his own poet and in moments of strong emotion expresses himself in song A typical example is the Song of Lamech in Genesis I have slain a man to my wounding And a young man to my hurt Instances perpetually occur in the Sagas Grettir Egil Skarphedin are always singing In Kidnapped Mr Stevenson introduces The Song of the Sword of Alan a fine example of Celtic practice words and air are beaten out together in the heat of victory In the same way the women sang improvised dirges like Helen lullabies like the lullaby of Danae in Simonides and flower songs as in modern Italy Every function of life war agriculture the chase had its appropriate magical and mimetic dance and song as in Finland among Red Indians and among Australian blacks The deeds of men were chanted by heroes as by Achilles stories were told in alternate verse and prose girls like Homer's Nausicaa accompanied dance and ball play priests and medicine men accompanied rites and magical ceremonies by songs These practices are world wide and world old The thoroughly popular songs thus evolved became the rude material of a professional class of minstrels when these arose as in the heroic age of Greece A minstrel might be attached to a Court or a noble or he might go wandering with song and harp among the people In either case this class of men developed more regular and ample measures They evolved the hexameter the laisse of the Chansons de Geste the strange technicalities of Scandinavian poetry the metres of Vedic hymns the choral odes of Greece The narrative popular chant became in their hands the Epic or the mediaeval rhymed romance The metre of improvised verse changed into the artistic lyric These lyric forms were fixed in many cases by the art of writing But poetry did not remain solely in professional and literary hands The mediaeval minstrels and jongleurs who may best be studied in Lafontaine's Introduction to his Epopees Françaises sang in Court and Camp The poorer less regular brethren of the art harped and played conjuring tricks in farm and grange or at street corners The foreign newer metres took the place of the old alliterative English verse But unprofessional men and women did not cease to make and sing A

Subjects Samuel Austin Allibone, 1859 **Announcements for Register of Alumni** University of Michigan. College of Pharmacy, 1880 *A Monk of Fife* Andrew Lang, 2012 This book is annotated with a rare extensive biographical sketch of the author Andrew Lang written by Sir Edmund Gosse CB a contemporary poet and writer The book The recent revival of interest in the Maid of Orleans has resulted in the production of a considerable amount of romantic fiction of which the most important example is Mr Lang's *A Monk of Fife* The subject is one almost ideally suited to Mr Lang's hand appealing as it does to his deepest interests and intellectual sympathies how warmly the noble poem in his latest volume of verse may witness The romance before us pretends to be a translation of a French manuscript in the Ratisbons Scots College Whether this pretence be wholly a bit of mystification we are not concerned to inquire for all practical purposes *A Monk of Fife* is an original work of Mr Lang's imagination although it follows historical fact more closely than such fiction is wont to do As to the style of the book it may be described in Mr Lang's own words as not imitating in manner the almost contemporary English of the Paston Letters or the somewhat earlier English style of the Regent Bedford but merely attempting to give a moderately old air to his Mr Lang's version of a French which genuine or imitative is certainly in character and spelling antique The story is told in the first person and is essentially the narrative of a young Scotsman fleeing from his own country in consequence of a brawl and finding service with the French at such a time as to be concerned in the siege of Orleans and to become closely associated with the fortunes of the Maid The narrative is at times labored as the result of a wish to omit no historical fact of importance but is for the most part highly readable giving a vivid impression of the stirring life of early fifteenth century France Lock and Key Z. Allora, 2016-07-15 *Entwined Dreams Book One Rejected Heartbroken* Devastated Zack Davis wanted to serve only one man Andrew Nikeman He was denied because Andrew thought he was too young and because their brothers were together So Zack crushed his submissive tendencies and focused on being the perfect Dom giving every sub he played with something he couldn't have After years of denying his submissive side *Entwined's* charity auction Are you Dom Enough to be a sub gives Zack an excuse to get a little of what he's always craved Andrew doesn't know when his infatuation turned into more but it kills him to see Zack with a constant parade of submissives He'd refused to jeopardize his brother's relationship or become Zack's regret however Zack isn't a kid anymore and his brother's relationship is unbreakable Now Zack's popularity and success as a Dom might ruin Andrew's dreams of collaring him but he can't wait any longer to confess his feelings or he risks losing the man he loves forever **A Suitable Affair** Erica Taylor, Despite being beautiful and wealthy Lady Susanna Macalister's marriage prospects are rather lacking To avoid a life of spinsterhood she decides a loveless marriage to the dull and unromantic Lord Riverton is better than none at all But still Susanna longs for true passionate love the kind she grew up hearing stories about Enjoying a quiet walk with her insipid suitor one afternoon Susanna is nearly trampled by the handsome Earl of Westcott as he rides through Hyde Park Driven by his own guilt and despair the earl embraces this chance encounter as an opportunity for vengeance for Lord Riverton is the

very man whom Westcott suspects is responsible for the untimely death of his beloved sister But is his mission of separating Susanna from Lord Riverton simply a desire to save another unsuspecting lady from his sister's fate or something deeper As Susanna helps Lord Westcott investigate her future fiancé she realizes she might have found what she was looking for all along Can the pair keep their budding romance a secret from everyone around them until the investigation is over Or will the unsuspecting Lord Riverton win Susanna's hand in marriage before the truth comes out On the Make David
