## **The Reason For The Season:**

*Reasons for the Seasons* William Paul Jones, 2016-10-31 Do you ever find yourself drowning in secularization and commercialization being pulled under as Halloween Thanksgiving and Christmas intermingle and fly by in a frantic blur Have you ever wondered if there is any way to reclaim the true meaning of such seasons as Advent and Lent and be helped to live more intentionally and meaningfully the other Christian celebrations *Reasons for the Seasons* makes that possible in a delightfully engaging manner With humor and rich illustrations this widely read spiritual author draws upon life experiences from childhood in Appalachia to his teaching at Princeton University and into his spiritual pilgrimage intent on uniting his Protestant mind with a Catholic heart Focus is given to the church's central seasons of Advent Christmas Epiphany and Lent Easter Pentecost Lesser known Christian celebrations are engaged such as Candlemas Trinity Sunday and the Feast of the Transfiguration Additionally illumination is provided for exploring such secular holidays as New Year's Mother's Day Memorial Day Independence Day Labor Day and Halloween This book will be informative and engaging not only for personal use but also in enabling families to deepen their celebrative time together Groups will also find it helpful for study as will churches in giving depth to their liturgical planning **Jesus Is Not the Reason for the Season** Cheryl

Sanchez, 2009-11-10 Drawing from a variety of sources the author presents an honest view of the pagan roots of Christmas that the Church has adopted as a sacred holiday The author goes into detail to show that our Christmas celebration today is nothing more than the ancient pagan festival of Winter Solstice Jesus has commanded the Church in Revelation 19:4 Come out of her My people that ye be not partakers of her sins and that ye receive not of her plagues The Church has mixed the holy with the profane and it is now time to arise prepare to meet her Heavenly Bridegroom The author makes the plea to the Church to come out of the paganism that has infiltrated our worship unto Yahweh *Reason for the Seasons* James V.

Schall, 2018-11-15 We can't be joyful without knowing why we should be joyful That's why celebrated Catholic author James V Schall S J the thinking man's priest presents these short but powerful chapters on the most important and joyful feasts of the Church's liturgical year With Fr Schall as your guide you'll come to understand more deeply the point of each celebration You'll learn truths about the feasts that will awaken you to real joy as you consider Christmas Easter Pentecost All Saints Day and All Souls Day as well as the End Times that we encounter in the last Sundays of the liturgical year Rather than being encyclopedic discussions of each of the feasts these penetrating reflections generally point to something astonishingly new that you missed before something of the meaning and depth of each feast that is almost always passed over unnoticed except by those who think long and deeply about them In any one of these discussions you'll find never ending causes of insight into what we are and who God is In a word this powerful and delightful book affords you an enormous opportunity to consider anew the great truths of our Faith handed down to us by our beloved Mother Church and that each year are celebrated in Her Feasts Curious Pearl Identifies the Reason for Season Eric Braun, 2017-11-02 What does Curious Pearl do with that

notebook of hers She tracks sunset times each day When Pearl shows her friend how the sunset time changes each day he asks why As a lover of science Pearl knows this is her chance to teach her friend all about the reason for seasons
