Worth The Time Waltham Academy:

Worth the Time Laura Jackson,2016-12-12 Doesn't anyone feel she's worth their time Routinely ignored by her single mother high school senior Lindsey Hamilton hides her loneliness behind a mask of flirtatious self confidence that has many boys wrapped around her finger However during community service required for graduation she meets a shy guy with a haunted past who barely gives her the time of day Why doesn't he like her Then the father she thought had abandoned her before birth wants to meet and she discovers everything she believed about him is a lie How will Lindsey learn to trust so she can realize that she has been loved all along *The Door of Last Resort* Frances Ward,2013-03-14 Having spent decades in urban clinical practice while working simultaneously as an academic administrator teacher and writer Frances Ward is especially well equipped to analyze the American health care system In this memoir she explores the practice of nurse practitioners through her experiences in Newark and Camden New Jersey and in north Philadelphia Ward views nurse practitioners as important providers of primary health care including the prevention of and attention to the root causes of ill health in independent practice and as equal members of professional teams of physicians registered nurses and other health care personnel She describes the education of nurse practitioners their scope of practice their abilities to prescribe medications and diagnostic tests and their overall management of patients acute and chronic illnesses Also explored are the battles that nurse practitioners have waged to win the right to practice battles with physicians health insurance companies and even other nurses *The Door of Last Resort* though informed by Ward's experiences is not a traditional memoir Rather it explores issues in primary health care delivery to poor urban populations from the perspective of nurse practitioners and is intended to be their voice In doing so it investigates the factors affecting health care delivery in the United States that have remained obscure throughout the current national debate **The Massachusetts Teacher and Journal of Home and**
