The Peking Temple of the Eastern Peak Anne Swann Goodrich, 2024-12-11 The Tung yUeh Miao in Peking is a veritable pantheon housing hundreds of deities with scores of attendants presided over by the Great God of the Eastern Peak Mrs Goodrich in her delightful narrative relates the stories of these deities how they came to be deified how they secured the faith and trust of thousands of devotees and how they managed to accomodate themselves to each other without interfering with the rights and responsibilities of the neighboring deities Here is the story of how a faithful people common fold gradually built up a religious syncretistic system happily free from any shackles of logic and historical accuracy Yet it worked so well that the Chinese flocked to this temple at regular intervals If there is a popular demand a common need a private hope or anxiety there must be a deity who answers to it If not people will create such a deity and show that its worship is not useless and therefore justified Anne S Goodrich lived in China for seven years spending most of her time in Peking but making trips that took her as far north as Jehol and as far south as Changsha and Canton In 1923 she married L Carrington Goodrich With her husband she has traveled extensively in Asia Janet R Ten Broeck made detailed studies of the Tung yUeh Miao part of which she has published together with Dr Yiu Tung in T oung Pao XL 1950 1951 She lived in Peking with her
