## **The Pig Of Happiness:**

**The Pig of Happiness** Edward Monkton, 2011-06-03 I knew Edward Monkton was going to be a success when people started e mailing me daily saying that it touched their hearts it made them think and most important it made them laugh out loud again and again Giles Andreae In the tradition of Jonathan Livingston Seagull comes The Pig of Happiness a philosophizing porcine fellow with a penchant for spreading good cheer Edward Monkton s philosophical piglet aspires to elevate the spirit and become the Pig of Happiness His happiness is so big it seeps from inside him to all the other pigs and then to all the other animals in the barnyard Monkton perhaps better known as the U K s top selling living poet Giles Andreae pairs a fresh illustrative style with simple yet profound prose to create this modern day parable Monkton s greeting cards and book titles have been a big hit in the U K His gift books are presented to the U S market by Andrews McMeel exclusively while a complementary card line from Sunrise will be introduced in the summer of 2007 **A Lovely Love Story** Edward

Monkton, 2012-11-06 Mr Darcy and Miss Bennett Ozzie and Harriet Jay Z and Beyonce Great couples often find togetherness by embracing their individual differences In this modern day fable Edward Monkton pens an irresistible love story about a fiercely funny but distant Dinosaur who falls in love with a forgetful but free spirited and shopping savvy Lovely Other Dinosaur Monkton perhaps better known as the U K s top selling living poet Giles Andreae This ode to love pairs Monkton s signature illustrations with simple yet profound prose **The Pig in Your Head** Larry Marshall LPC, 2015-07-31 The author

has written a lovely children s story to help kids confront in a roundabout and fun way the issue of immediate gratification which plagues many children and their parents This issue is related through the story of a boy Bill who has a gimme want want attitude that is not serving him well Through the analogy of a pig in a pen Bill s grandpa teaches him that a pig is best left in its pen just like the gimme gimme want attitude is best kept contained This story is a great way of communicating an important lesson and parents will surely like the values it is teaching I also think the story concept section was well written the author clearly put a lot of thought into the underlying concept of this book The book interactive nature is also great and kids will benefit from putting the lessons of this story into practice Author House Editor **The Pig and I** Kristoffer

Endresen, 2023-10-17 In this lively and fascinating book a guilt ridden bacon loving journalist finds work at an industrial pig farm as he researches the long and torrid history of humans and swine After convincing a skeptical pig farmer to take him on as a hired hand for six months journalist Kristoffer Endresen follows a litter of piglets from birth to slaughter all in the hopes of understanding what goes on inside an industrial pig farm and whether humans can ethically justify eating pork which just so happens to be the most consumed animal protein in the world During his days as a beginner pig wrangler he mucks out pig pens and cuddles a cute piglet He inseminates a female pig and narrowly escapes being trampled Endresen interweaves his fast times at a piggery with surprising insights into the long and star crossed bond between pigs and humans drawing on history literature archeology and myth and shares new science into video game playing swine and pig heart transplants and
