The Power of

the Blood , *The Power of the Blood* George Mfula , The Power of the Blood is worth reading There is untapped power in the blood of Jesus No devil can stand the blood that Jesus shed on Calvary Our redemption in Christ Jesus is a function of the blood He shed for us Each time you engage the mystery of the blood of Jesus in your life sickness and disease can t stand you It is an error as a church to do away with the blood of Jesus which Jesus Himself used to purchase His glorious Church Any church that will do that has missed it and needs a lot of spiritual help In this book we are going to talk about the blood of Jesus nothing else We may have blood today in this world but only the blood of Jesus is what matters It is an enormous risk to be a child of God and know nothing about the blood of Jesus There are some churches where the blood of Jesus never matters or gets mentioned Pastors have stopped preaching about it God forbid It is scary and a reduction to the entire purpose of God s divine plan of the blood I believe it is time for you and me to revisit our spiritual foundations The mystery behind the blood of Jesus dates back as far as the blood God shed in the Garden of Eden When Adam and Eve sinned against God they needed atonement for them to stand before God Otherwise there was no way they could have even spoken to Him God Instead God killed an animal and used the blood to cover their spiritual nakedness Then He used the animal skin to cover their physical nakedness Shedding blood for atonement was instituted by God in the Garden of Eden It is non negotiable Get this book You will scale greater heights of wisdom understanding knowledge and spiritual growth in Christ Jesus *The Power of the Blood of the Cross* Andrew Murray,2003-01-01 Andrew Murray wrote I am deeply convinced that we Christians can never know too much about the truths which the blood proclaims This combined edition contains 20 discourses on this vital subject They were previously published as two books *The Power of the Blood of Jesus* and *The Blood of The Cross* *The Power of the Blood Covenant* Malcolm Smith,2006-08 Starting with the first chapter titled Something s Missing your readers will be launched into an explosive yet motivating revelation of a deeper truth that all of Christianity centers around the power of the New Covenant The result will be a generation of readers who delve deeper into the origins of Christianity only to discover a power able to transform their lives today *The Power of the Cross and the Blood* Merlande Emmanuel Siffard,2015-05-29 This book is a collection of poems Spiritual inspiring and uplifting This book is demonstrated how Jesus Christ died on a cross and shed his blood for us all and by the power of that cross and his precious blood we can be transformed and become whom God was created us to be This book is appropriate for all ages ***The Blood Covenant Of Jesus Christ: The Power That is in His Blood*** Lizzie Ducking,2017-05-10 Not much is known about the Blood of Jesus today by Christians but it is a mighty arsenal weapon against the devil There is life in the Blood of Jesus and none is in Satan He is called Beelzebub being interpreted the lord of flies Flies are attracted to dead things but the Blood of Jesus has life in it so the devil is repelled by it and cannot penetrate it Many years ago the word of God was revealed saying Make much of the Blood and the Blood will make much of you For a while Christians did make much of the Blood and as a result many signs and wonders were seen However today there is not much that is said about the Blood Has it lost its power Certainly not but we have lost knowledge

of it and therefore we haven't seen mighty acts of God as did the early disciples. But the time has come and now is for us to make full usage of this powerful weapon that God has given us. God's word does not change. What He said years ago applies to us today and He said: "Make much of the Blood and the Blood will make much of you." **The Sprinkling of the Blood** Winston Farmer, 2006-12. The shedding of Jesus' blood is the most powerful thing God ever did for mankind. It is the love of God. But many Christians take the blood of Jesus for granted or don't give it any thought at all. In fact, much of the body of Christ has been asleep to this powerful spiritual weapon. In **The Sprinkling of The Blood** you will learn how knowledge of the blood of Jesus releases its power in your life. How Jesus' blood provides us with a new spiritual DNA. Is pleading the blood of Jesus foolishness or faith? What is the blood of Jesus saying today? Why you must agree with the blood in your daily conversations. This mighty weapon of spiritual warfare holds the secret to a victorious life.

The Power of the Blood of Jesus Andrew Murray, 2013-08-20. The Power of the Blood of Christ does a wonderful job of introducing the need for Christians to claim the blood of Jesus and in confirming its biblical authenticity. In a day when the blood of Jesus is being removed from the very translation of the Bible itself when the mention of the blood of Jesus is considered offensive even in the churches, it is more important than ever for this book by Andrew Murray to remove the misconceptions. The Power of the Blood of Christ is a God send for those who are willing to accept the ways of God without cringing. Though the blood of Jesus is not in any way magical, it is nonetheless crucial and foundational to receiving any benefit whatsoever from God. In **The Power of the Blood of Christ**, Andrew Murray clearly shows this truth in his books. He also mentions scores of benefits that are only available through the shed blood of Jesus. This book remains a Christian classic, a tremendous discourse on **The Power of the Blood of Christ**. The New Testament book of Hebrews states that "Without the shedding of blood, there is no forgiveness of sin." Andrew Murray shows clearly that within that statement is included ALL the resulting benefits of forgiveness as well.
