Environmental Economics and Investment Assessment II K. Aravossis,C. A. Brebbia,N. Gomez,2008 The current emphasis on sustainable development is a consequence of the general awareness of the need to solve numerous environmental problems resulting from our modern society This book addresses the topic of investment assessment and environmental economics in an integrated way

Principle Based Investing: A Sensible Guide to Investment Success Alan F. Skrainka,2014-06-19 Principle Based Investing is the belief that principles must guide our long term investment decisions and that predictions are useless regardless of the source Principles are the foundation of sensible investing They are what allow us to ignore the day to day noise and emotional clatter that can jeopardize rational thinking and sound investment decision making In this sensible well reasoned book Alan Skrainka draws on his many years as a successful investment manager to describe the process he has followed to help investors attain their specific objectives These principles provide the guidance to enable investors to set a logical course stay on course and gain the advantages of a sound long term investment program Take these lessons to heart They ll make your investment voyage easier and more successful Clearly the proof is in the principles

The Asian Turn in Foreign Investment Mahdev Mohan,Chester Brown,2021-08-26 Critically discusses the increasing significance of Asian States in the field of international investment law and policy Contains analyses of national investment law rule making in Asia contributions of Asian States on cutting edge developments to the global community and contemplates future possibilities for investor State dispute settlement

International Investment Law at the Juncture Shen Wei,2024-05-02 The book focuses on some of the most pressing issues in international investment law in Asia such as the role of developing countries the rebalancing between the investors rights protection and the host states right to regulate the ISDS reform among others The book investigates these issues by looking into the bilateral investment treaties and investment arbitration cases in the region The readers will benefit from this book s rich content and wide coverage For instance the readers would learn more about Asian states Bilateral Investment Treaty law and practice and their standing on international investment law The book provides a fresh angle to most readers who may be more exposed to the Western perspective on the topic providing a more complete picture to add to the readers understanding of international investment law and in particular its evolution and

future possibilities *Principles of International Investment Law* Rudolf Dolzer (jurist), Christoph Schreuer, 2012-11-15 This book provides an ideal introduction to the fundamentals of international investment law and dispute settlement for students or practitioners It combines a systematic analytical study of the texts and principles underlying investment law with a jurisprudential analysis of the case law arising in international tribunals ECONOMIC ANALYSIS FOR BUSINESS DECISIONS Dr. Padmalochana Bisoyi, Dr. Rijwan Ahmed Mushtak Ahmed Shaikh, 2023-11-01 Buy Economic Analysis for Business Decisions e Book for Mba 1st Semester in English language specially designed for SPPU Savitribai Phule Pune University Maharashtra By Thakur publication Laws on Green Growth, and Economic Investment in Korea Ministry of Government Legislation of Republic of Korea, 2012-01-10 In connection with the G20 Seoul Summit MOLEG is publishing and distributing this English statute book It includes a selection of major laws regarding low carbon green growth which is a national vision for the next 60 years to be pursued by the Lee Myung Bak government and also regarding foreign investment This book has 23 laws There are 11 major laws about green growth such as the Framework Act on Low Carbon Green Growth and 12 major laws about foreign investment such as the Foreign Investment Promotion Act It also contains the Constitution and the Government Organization Act to give foreigners an understanding of the basic principles major functions and government organizations of the Republic of Korea Furthermore the book has introductory content on the legal system of the Republic of Korea and its process of establishing policy and legislation Country Analysis David M. Currie, 2016-05-13 The ability to connect theoretical macroeconomics to the analysis of the economic and political performance of a given country is an essential skill for global investors In *Country Analysis Understanding Economic and Political Performance* David M Currie takes a unique analytical approach to the subject clearly demonstrating the relationship between theory and application in investing practices This valuable book shows how to interpret country performance and provides the practising investor with sufficient background on economic principles to be able to understand and interpret country summaries that appear in business periodicals and other media It covers key topics such as the Washington Consensus and the three major categories of economic decisions fiscal policy monetary policy and trade policy It includes an important chapter on the political aspect of government performance to give the reader an understanding of economic decisions in their true context *Country Analysis* explains the reasoning behind the criteria used in evaluating country risk and economic performance without the need for a sophisticated understanding of economics or mathematics Each chapter includes a series of text boxes that include real life examples from business periodicals to reinforce what is discussed and enable readers to practice identifying and interpreting relevant information Practitioners making investment decisions in global markets as well as students in MBA and other courses will find this immensely practical book a valuable aid to critical decision making **The International Law on Foreign Investment** M. Sornarajah, 2010-05-06 This book is a thought provoking and authoritative text on this fast moving field of international law *Eurasian Economic Union Trade and Investment Agreements Handbook Volume 1 Strategic*

Information and the Treaty of the Eurasian Economic Union IBP, Inc.,2016-10-19 Eurasian Economic Union Trade and Investment Agreements Handbook Strategic Information and Basic Agreements *Foreign Direct Investment and International Law* Adaeze Agatha Aniodoh,2025-07-16 This book examines the regulatory framework for foreign direct investments most notably the bilateral investment treaties which provide several guarantees that minimise the exposure of risks to foreign investors in a host State Most States have recognised that one of the ways they can improve their economic growth is by providing effective mechanisms for the attraction of foreign investments In this regard foreign direct investments have become a key element in the strategic vision for advancing any national economy The book examines guarantees which have the capacity to impinge on the economic sovereignty of a State raising questions such as are host States obliged to comply with the rights of foreign investors to free capital repatriation in the face of economic difficulties What power does a host State have to regulate and impose capital controls that are deleterious to the rights of a foreign investor This book argues that policies aimed at increasing foreign direct investment need to extend beyond investment liberalisation to strike a balance between the regulatory rights of a State and the legitimate expectations of foreign investors Advancing the discussion on the necessity of balancing the needs of foreign investors with those of the host community and exploring the power asymmetry present in treaty negotiations this book will be of interest to students academics and practitioners with an interest in international investment law **European Yearbook of International Economic Law 2012** Christoph Herrmann,Jörg Philipp Terhechte,2011-12-20 The third volume of the European Yearbook of International Economic law focuses on two major topics of current academic and political interest Firstly it addresses the 10th anniversary of China s accession to the WTO and its implications secondly it deals with different legal aspects of global energy markets
