*Riverbank and Seashore in Nineteenth and Twentieth Century British Literature* Gillian Mary Hanson, 2005-11-17 The waters of river and sea represent a kind of freedom a liberty which as Iris Murdoch writes enables man to exist sanely without fear and to perceive what is real As settings in fiction the riverbank and seashore are rich in potential offering a sense of destiny and suggesting the possibility of self truth and self knowledge In British literature the rural costal setting shadowed by cliffs tugged by the constant movement of the sea becomes the site of revelation and generates the energy that brings characters to a new level of self awareness The river s embankments bridges and tunnels often mark specific stages of revelation and movement in plot Entrapment and isolation contingency and communication are

themes that seem born of such settings This book examines the ways in which 21 modern and postmodern writers from Tennyson to Ted Hughes from Jane Austen to Jane Gardam have made use of the physical environment of riverbank and seashore in their work It considers how each author employs the physical settings in the service of plot and character development and how those settings are used to connect with some of the major intellectual concerns of the late 19th and 20th centuries Appendices offer significant quotations from the texts under discussion arranged according to the location they describe the rural river the urban river river into sea the rural shore and the urban shore **The Risk of Darkness** Susan Hill, 2011-06-27 Serrailier Hill's brilliant detective is the central character in the great writer's crime fiction novels CAMILLA DUCHESS OF CORNWALL Children are vanishing The village of Lafferton is shattered There are no witnesses and no leads just a kidnapper at large Then Detective Chief Inspector Simon Serrailier receives a call a child has been snatched in Yorkshire Has the abductor struck again And will they find this child alive Not all great novelists can write crime fiction but when one like Susan Hill does the result is stunning Ruth Rendell Discover the third edge of your seat novel in the bestselling Simon Serrailier series that over ONE MILLION readers have devoured *The Publishers Weekly*, 2009 **The Pure in Heart** Susan Hill, 2006 A little boy is kidnapped as he stands with his satchel at the gate of his home waiting for his lift to school An ex con finds it impossible to stay straight A severely handicapped young woman dies in the night has someone who loves her helped her out of this world The Various Haunts of Men Susan Hill, 2010-02 CRIME people usually disappear for their own reasons But when a young girl an old man and even a dog disappear no one can deny that something untoward is happening in this quiet cathedral town Young policewoman Freya Graffham is assigned to the case she's new to the job compassionate inquisitive dedicated and needs to know perhaps too much She and the enigmatic detective Chief Inspector Simon Serrailier have the task of unraveling the mystery behind this gruesome sequence of events From the passages revealing the killer's mind to the final heart stopping twist The Various Haunts of Men is an astounding and masterly crime debut and is the first in a magnificent series featuring Simon Serrailier Kate Atkinson Armelle Parey, 2022-11-15 This timely in depth study of award winning Kate Atkinson's work provides a welcome comprehensive overview of the novels play and short stories It explores the major themes and aesthetic concerns in her fiction Combining close analysis and literary contextualisation it situates her multi faceted work in terms of a hybridisation of genres and innovative narrative strategies to evoke contemporary issues and well as the past Chapters offer insights into each major publication from Behind the Scenes at the Museum to Big Sky the latest instalment in the Brodie sequence through the celebrated Life After Life and subsequent re imaginings of the war in relation to the key concerns of Atkinson's fiction including self narrativisation history memory and women's lives The Spectator, 2005 **The Writers Directory**, 2013 American Book Publishing Record, 2006 The Risk of Darkness Susan Hill, 2007 Still following up with a previous child abduction The Pure in Heart DCI Simon Serrailier now must deal with the crazy grief of a widowed husband a derangement
