

Student Council Secretary Speech

I really enjoy participating in student council and that's why I decided to run for secretary. As most of you know my name is **Carrie Cassarelli** and let me tell you why you should vote for me.

I am dedicated to student council. I have attended all the meetings this year. I also contribute time and effort to student council. In my free time at school (in between periods or during my lunch), I made power points for the class cup events, updating my class on what was going on and I kept them involved. The secretary has to keep a record of the minutes during meetings, which means they have to write or take notes on what we discussed in the meeting. I am very organized and I would make sure not to lose any papers or any work I did.

I also consider myself a team player. I play on many sports teams and contribute in many ways. I really enjoy working with other people, it's good to give and receive ideas. Together we can come up with great ideas to help the school and community. Student council is a great way to be involved, it is a great way to get to know and work with new people.

I have been a representative for 2 years, so I have experience and am ready for any challenge, I am ready to work. I am ready to help our community. I would really enjoy being our student council secretary.

I believe I would be the perfect candidate because I am dedicated, I am organized, I am trustworthy and because I am a hard worker.

And don't forget

"Take note, the right vote is Carrie Cassarelli for Secretary"

Thank you!
