Travailleurs Sociaux Face Agrave La Crise

Stéphane PAWLOFF

Travailleurs Sociaux Face Agrave La Crise:

Le système agricole et agroalimentaire tunisien face aux crises: focus sur la chaîne de valeur céréalière

Chebbi, H.E., Amrani, M., Bouallegui, F., 2023-06-01 Ce rapport met en évidence l'impact économique financier et social de la crise de covid 19 sur le secteur agricole et agroalimentaire en Tunisie. En addition de ces impacts globaux, le rapport s'intéresse à l'expérience de certains pays d'Amérique latine où la sécurité alimentaire est une question clé dans la conduite des politiques publiques. Le rapport s'intéresse également à l'impact de la covid 19 sur la performance des chaînes de valeur agricoles et agroalimentaires en termes de commerce extérieur et présente les principaux facteurs de vulnérabilité et de contraintes de cette chaîne de valeur centrale dans la conduite des politiques publiques de sécurité alimentaire en Tunisie. Il aborde également les risques court terme et les répercussions possibles de la guerre en Ukraine sur les filières agricoles et agroalimentaires en Tunisie. Le rapport décrit également les risques et les possibles répercussions de la guerre en Ukraine sur les secteurs de l'agriculture et de l'agroalimentaire en Tunisie. Dans le dernier chapitre du rapport, les auteurs proposent des recommandations opérationnelles pour le redressement du système agricole et agroalimentaire court et moyen terme 2022-2025 dans un contexte budgétaire difficile.

L'Etat face aux débordements du social au Maghreb. Formation, travail et protection sociale CATUSSE Myriam, DESTREMAU Blandine et VERDIER Eric (sous la direction de), 2010-04-01 Au Maghreb sous l'empire de la renouveau de la dette publique et des injonctions des organismes internationaux, l'Etat développe des lendemains de l'indépendance tout à la fois moderniste patrimonial et autoritaire avait dû se faire modeste et en appeler au développement du secteur privé ainsi qu'une implication renforcée de la société civile. Le succès n'a pas tenu rendez-vous de ce tournant pris dans les années 1980. Bien plus des inégalités renforcées des taux de chômage plus élevés, un système éducatif dévalorisé, une offre publique de soins dégradée ainsi que de nouvelles formes de pauvreté se sont conjuguées pour mettre mal en lien social déjà fragile. Des mouvements sociaux témoignent d'une angoisse individuelle et collective telle qu'elle s'est muée par delà les calendriers spécifiques en une priorité commune aux agendas politiques des trois pays du Maghreb : sécuriser la société en endiguant les débordements du social. C'est à chiffrer ce moment particulier des mutations de l'action publique que s'attache ce livre. Cible sur trois activités principales : la formation, l'accès à l'emploi et la protection sociale, cet ouvrage montre que la forme de ces politiques se définit dans des configurations spécifiques à la fois nationales et locales.

Des politiques de l'emploi pour la justice sociale et une mondialisation équitable International Labour Office, 2010. Traite de ce que peut être la contribution des politiques de l'emploi, la justice sociale pour une mondialisation équitable lorsque ces politiques font partie d'une stratégie intégrée de promotion du travail décent.

Le participationnisme, ou La justice dans l'organisation du travail A. Coutarel, 1898
