Hunt III, 2013-09-01 Is image everything For many people in our culture image and images are everything Americans spend hours watching television but rarely finish a good book Words are quickly losing their appeal Arthur Hunt sees this trend as a direct assault on Christianity He warns that by exalting imagery we risk becoming mindless pagans Our thirst for images has dulled our minds so that we lack the biblical and mental defenses we need to resist pagan influences What about paganism Hunt contends that it never died in modern Western culture image based media just brought it to the surface again Sex violence and celebrity worship abound in our culture driving a mass media frenzy reminiscent of pagan idolatry This book is a clear warning that the church is being cut off from its word based heritage and that we are open to abuse by those who exploit the image but neglect the Word Thoughtful readers will find this a challenging call to be critical about the images bombarding our sense and to affirm that the Word is everything **Vanished by the Danube** Charles Farkas, 2013-01-01 A story of loss and survival Germany's invasion of Hungary in 1944 marked the end of a culture that had dominated Central Europe from the nineteenth century to the middle of the twentieth In this poignant memoir Charles Farkas offers a testament to this vanished way of life its society morality personal integrity wealth traditions and chivalry as well as an eyewitness account of its destruction begun at the hands of the Nazis and then completed under the heel of Soviet Communism Farkas's recollections of growing up in Budapest a city whose grandeur embraced indeed spanned the Danube River his vivid descriptions of everyday life in Hungary before during and after World War II and his ultimate flight to freedom in the United States remind us that behind the larger historical events of the past century are the stories of the individual men and women who endured and ultimately survived them **The Last Consolation Vanished** Zalmen Gradowski, 2024-05-31 A first person Holocaust account by a prisoner killed in Auschwitz An act of witness that rises now and then to Biblical heights of eloquence J M Coetzee Nobel Prize winning author Filling a gap in history The Last Consolation Vanished is the first

complete English translation and critical edition of one prisoner's powerful account of life and death in Auschwitz written in Yiddish and buried in the ashes near Crematorium III Zalmen Gradowski was in the Sonderkommando special squad at Auschwitz a Jewish prisoner given the unthinkable task of ushering Jewish deportees into the gas chambers removing their bodies salvaging any valuables transporting their corpses to the crematoria and destroying all evidence of their murders Despite their impossible situation many Sonderkommandos chose to resist in two interlaced ways planning an uprising and testifying Gradowski did both by helping to lead a rebellion on October 7 1944 and by documenting his experiences Within 120 scrawled notebook pages his accounts describe the process of the Holocaust the relentless brutality of the Nazi regime the assassination of Czech Jews the relationships among the community of men forced to assist in this nightmare and the unbearable separation and death of entire families including his own Amid daily unimaginable atrocities he somehow wrote pages that were literary sometimes even lyrical hidden where and when one would least expect to find them The October 7th rebellion was completely crushed and Gradowski was killed in the process but his testimony lives on His extraordinary and moving account accompanied by a foreword and afterword by Philippe Mesnard and Arnold I Davidson is a voice speaking to us from the past on behalf of millions who were silenced Their story must be shared *The Search for a Vanishing Beijing* M.A. Aldrich, 2008-03-01 The Search for a Vanishing Beijing weaves the genres of travel essays and travel guides into a comprehensive narrative about the cultural mosaic of the capital of China [The Gallery of Vanished Husbands](#) Natasha Solomons, 2013-08-27 A moving story of family and a life long love affair in 1950s London from the New York Times bestselling author of *The House at Tyneford* London 1958 It's the eve of the sexual revolution but in Juliet Montague's conservative Jewish community where only men can divorce women she finds herself a living widow invisible Ever since her husband disappeared seven years ago Juliet has been a hardworking single mother of two and unnaturally practical But on her thirtieth birthday that's all about to change A wealthy young artist asks to paint her portrait and Juliet moved by the powerful desire to be seen enters into the burgeoning art world of 1960s London which will bring her fame fortune and a life long love affair *Horizons Blossom, Borders Vanish* Anna Elena Torres, 2024-02-06 A bold recovery of Yiddish anarchist history and literature Spanning the last two centuries this fascinating work combines archival research on the radical press and close readings of Yiddish poetry to offer an original literary study of the Jewish anarchist movement The narrative unfolds through a cast of historical characters from the well known such as Emma Goldman to the more obscure including an anarchist rabbi who translated the Talmud and a feminist doctor who organized for women's suffrage and against national borders Its literary scope includes the Soviet epic poems of Peretz Markish the journalism and modernist poetry of Anna Margolin and the early radical prose of Malka Heifetz Tussman Anna Elena Torres examines Yiddish anarchist aesthetics from the nineteenth century Russian proletarian immigrant poets through the modernist avant gardes of Warsaw Chicago and London to contemporary antifascist composers The book also traces Jewish anarchist strategies for negotiating

surveillance censorship detention and deportation revealing the connection between Yiddish modernism and struggles for free speech women's bodily autonomy and the transnational circulation of avant garde literature Rather than focusing on narratives of assimilation Torres intervenes in earlier models of Jewish literature by centering refugee critique of the border Jewish deportees immigrants and refugees opposed citizenship as the primary guarantor of human rights Instead they cultivated stateless imaginations elaborated through literature

The Vanishing Velázquez Laura Cumming, 2016-04-12

From one of the world's most expert art critics the incredible true story part art history and part mystery of a Velázquez portrait that went missing and the obsessed nineteenth century bookseller determined to prove he had found it When John Snare a nineteenth century provincial bookseller traveled to a liquidation auction he stumbled on a vivid portrait of King Charles I that defied any explanation The Charles of the painting was young too young to be king and yet also too young to be painted by the Flemish painter to which the work was attributed Snare had found something incredible but what His research brought him to Diego Velázquez whose long lost portrait of Prince Charles has eluded art experts for generations Velázquez 1599-1660 was the official painter of the Madrid court during the time the Spanish Empire teetered on the edge of collapse When Prince Charles of England a man wealthy enough to help turn Spain's fortunes ventured to the court to propose a marriage with a Spanish princess he allowed just a few hours to sit for his portrait Snare believed only Velázquez could have met this challenge But in making his theory public Snare was ostracized victim to aristocrats and critics who accused him of fraud and forced to choose like Velázquez himself between art and family A thrilling investigation into the complex meaning of authenticity and the unshakable determination that drives both artists and collectors of their work The Vanishing Velázquez travels from extravagant Spanish courts in the 1700s to the gritty courtrooms and auction houses of nineteenth century London and New York But it is above all a tale of mystery and detection of tragic mishaps and mistaken identities of class politics snobbery crime and almost farcical accident It is a magnificently crafted page turner a testimony to how and why great works of art can affect us to the point of obsession

The Vanishing Subject Judith Ryan, 1991-10-08 Is thinking personal Or should we not rather say it thinks just as we say it rains In the late nineteenth century a number of psychologies emerged that began to divorce consciousness from the notion of a personal self They asked whether subject and object are truly distinct whether consciousness is unified or composed of disparate elements what grounds exist for regarding today s self as continuous with yesterday s If the American pragmatist William James declared himself on balance in favor of a real and verifiable personal identity which we feel his Austrian counterpart the empiricist Ernst Mach propounded the view that the self is unsalvageable *The Vanishing Subject* is the first comprehensive study of the impact of these pre Freudian debates on modernist literature In lucid and engaging prose Ryan traces a complex set of filiations between writers and thinkers over a sixty year period and restores a lost element in the genesis and development of modernism From writers who see the self as nothing more or less than a bundle of sensory impressions Ryan moves to others who hesitate between empiricist and Freudian views of subjectivity and consciousness and to those who wish to salvage the self from its apparent disintegration Finally she looks at a group of writers who abandon not only the dualisms of subject and object but dualistic thinking altogether Literary impressionism stream of consciousness and point of view narration and the question of epiphany in

literature acquire a new aspect when seen in the context of the psychologies without the self Rilke's development of a position akin to phenomenology Henry and Alice James's relation to their psychologist brother Kafka's place in the modernist movements Joyce's rewriting of Pater Proust's engagement with contemporary thought Woolf's presentation of consciousness and Musil's projection of a utopian counter reality are problems familiar to readers and critics The Vanishing Subject radically revises the way we see them Wong Kar-wai Silver Wai-ming Lee, Micky Lee, 2017-08-07 Fans and critics alike perceive Wong Kar wai b 1958 as an enigma His dark glasses his nonlinear narrations and his high expectations for actors all contribute to an assumption that he only makes art for a few high brow critics However Wong's interviews show this Hong Kong auteur is candid about the art of filmmaking even surprising his interlocutors by suggesting his films are commercial and made for a popular audience Wong's achievements nevertheless feel like art house cinema His third film Chungking Express introduced him to a global audience captivated by the quick and quirky editing style His Cannes award winning films Happy Together and In the Mood for Love confirmed an audience beyond the greater Chinese market His latest film The Grandmaster depicts the life of a kung fu master by breaking away from the martial arts genre In each of these films Wong Kar wai's signature style experimental emotive character driven and timeless remains apparent throughout This volume includes interviews that appear in English for the first time including some that appeared in Hong Kong magazines now out of print The interviews cover every feature film from Wong's debut As Tears Go By to his 2013 The Grandmaster

Disappearing Ink Eileen O'Neill, 2025-03-07 When Eileen O'Neill 1953 2017 published her ground breaking essay Disappearing Ink Early Modern Women Philosophers and the History of Philosophy in 1998 women philosophers were virtually absent from encyclopedias of philosophy and the numerous histories and anthologies of early modern thought This essay would come to have an enormous impact signaling the beginning of the movement to introduce early modern women philosophers into the canon In its densely packed 46 pages Disappearing Ink presented the names major works and principal theses of literally dozens of forgotten women whose works were published during the early modern period and who had engaged in correspondence with central male figures but whose names and works had since been erased Disappearing Ink reprints this now canonical piece together with subsequent essays some widely read some harder to locate and one on Cartesianism and the Gendered Mind written in 2013 and published here for the first time The essays in Part I develop O'Neill's views on feminist history of philosophy articulating an account of feminist historiography that is inclusive yet at the same time textually nuanced The essays in Part II provide in depth treatment of individual figures and themes These essays discuss the views of early modern women philosophers such as Mary Astell Margaret Cavendish and Mme de Lambert alongside those of Descartes Leibniz Poullain de la Barre and the Scholastics engaging with questions of mind body interaction occasional causation physical influx pan organicism and whether the Cartesian mind is gendered The sole essay in Part III departs from the historical orientation of Parts I and II This essay informed by O'Neill's deep knowledge of art

history is an illuminating study of agency in representations of women in feminist erotic art of the 1980s Combined these works trace the complete arc of O'Neill's thought from painstaking studies of individual themes and figures to a sweeping vision of how feminism should inform our approach to the history of early modern thought indeed to the history of philosophy more generally More than anyone else O'Neill explained why women were excluded from the canon and showed how they could be incorporated into it

The Vanishing Children of Paris Arlette Farge, Jacques Revel, 1993-10 In the spring of 1750 children began to disappear from the streets of Paris as they made their way to school as they ran errands for their parents even from the presence of their parents no child was safe Astonishing rumors quickly spread In fact the police had been given sweeping powers of arrest to control the problems of vagrancy some were clearly abusing that power An atmosphere of mounting fear and suspicion between the populace and the

police erupted in a two day series of riots which culminated in the lynching and murder of an alleged abductor The authors use this incident to view broader issues concerning the power of rumor the logic of mob psychology and the exercise of authority and the maintenance of peace in Paris under the Ancien R gime **Disappearing Acts** Diana Taylor,1997 Taylor uses performance theory to explore how public spectacle both builds and dismantles a sense of national and gender identity Here nation is understood as a product of communal imaginings that are rehearsed written and staged and spectacle is the desiring machine at work in those imaginings Taylor argue that the founding scenario of Argentineness stages the struggle for national identity as a battle between men fought on over and through the feminine body of the Motherland She shows how the military s representations of itself as the model of national authenticity established the parameters of the conflict in the 70s and 80s feminized the enemy and positioned the public limiting its ability to respond Proceeding's of the Military History Symposium, USAF Academy United States.
