food writer who currently resides in Nashville TN Raised in Florida he has spent nearly two decades in the restaurant industry Spending time as a chef in a few high volume corporate restaurants and later opening several of his own concepts Among them a successful vegan caf and bakery Tim transitioned from the restaurant industry into writing after moving to Tennessee during the pandemic to be closer to his parents He has recently published a short dining guide to some of Nashville s local restaurants and is working on a historical fiction novel that has nothing to do with food and everything to do with Tim s other passion ancient history HowExpert publishes quick how to guides on all topics from A to Z by everyday experts
